Insurance Workshop:

Workshop was held to review the upcoming FY 2025/2026 PEIA Health Insurance as well as Dental Insurance Plans available. Leslie Cummings, the Town's Treasurer, discussed her recommendations on the dental insurance, which was to utilize a new plan that would provide the same coverage at half the current rate. Additionally, she shared the information that she had gathered regarding PEIA health insurance plans and the incorporation of HSA/HRA plans as well in terms of the cost-effectiveness. She will continue to investigate these various PEIA plans and make her recommendations to council upon completion. All councilors' questions were answered, and all members voiced satisfaction with the recommendations presented and the results of further research to be made available soon.

The meeting adjourned by acclamation at approximately 6:20 pm.

Natalie K. Haddix, Recorder
