Security Deposit Information:

This deposit shall constitute a guarantee that all sums due the Town of Nutter Fort for furnishing water, sewer, and garbage are fully paid. The Town shall, upon permanent disconnection of water services, refund any deposit remaining after deducting all amounts due the Town for such services. Furthermore, the deposit shall not preclude the Town from discontinuing for non-payment and all services regardless of the sufficiency of the deposit to cover such indebtedness. The transferring of deposits between locations within service areas of the Town is at the discretion of the Town.

The undersigned hereby makes application for water, sewer, and garbage service(s) and agrees to pay for said service(s) as measured by the Town of Nutter Fort's metering devices in accordance with the applicable rates and charges as specified in the Town's rate schedule for the service address and any other location that may be incurred as a result of a request to transfer the account until the Town received a request to discontinue the service(s) or discontinues service(s) due to failure to comply with this agreement. The customer agrees to allow right of access to the Town's agents on the customer's premises at all reasonable times and for necessary purposes. I/We assume responsibility for service beginning from connecting date until the Town is notified of cancellation of service, that all billings rendered by said company shall be due and payable upon receipt. Failure to receive a bill does not release a customer from payment obligations. The customer shall pay all collection expenses or attorney fees due to default or failure to perform obligations incurred as set forth in this agreement. It is agreed by the customer and the Town that this contract shall apply to the original service address of the customer and to all future service addresses of the customer. Information submitted to the Town in this service agreement is correct and true to the best of my knowledge and belief.
