

Motor Vehicle Property Tax Adjustment Credit

This publication provides general information and is not meant to be a substitute for tax laws or regulations.

Beginning January 1, 2024, taxpayers are eligible to claim a Motor Vehicle Property Tax Adjustment Credit. The first opportunity to claim this credit will be on a 2024 WV income tax return, filed in 2025, for all timely paid property taxes made on vehicles in the 2024 calendar year. The same rules will apply for all following years.

Who Qualifies?

Individuals, Partnerships, S-Corporations, LLCs, and C-Corporations

Leasing companies qualify for the credit. They are **required** to pass the savings on to the consumer leasing the motor vehicle. Contact your leasing company for more information on when you can expect to see the discount.

Who Does Not Qualify? Motor Vehicle Dealers

The first motor vehicle property tax payment that will be eligible to qualify for the credit is the payment made for the second half of the 2023 property tax year and it **must** be paid between January 1 - April 1, 2024.

Any property taxes paid in 2023 cannot be claimed.

To ensure that you qualify for the Motor Vehicle Property Tax Adjustment Credit, you will have to:

1. File your personal property assessment returns with your County Assessor timely. For businesses that means before September 1 and for individuals before October 1.
2. Pay your personal property taxes timely. That means the first half of the assessment must be paid before October 1 and the second half before April 1.

Location and contact information on your County Assessor can be found at tax.wv.gov.

Only individuals and business motor vehicle owners may qualify for the Motor Vehicle Property Tax Adjustment Credit. The credit is only available for the actual tax paid. If an early payment discount is applied, the credit is limited to the amount actually paid after deduction of the discount. The following Motor Vehicle classifications, which can also be found online at transportation.wv.gov, are eligible for the credit:

Class A	Cars and Trucks	Passenger cars and trucks with a gross weight of 10,000 pounds or less
Class B	Trucks	Trucks, truck tractors, or road tractors with a gross weight of 10,001 pounds or more
Class G	Motorcycles	Every motorcycle, including motor driven cycles and mopeds, having a saddle and no more than three wheels
Class H	Buses	Every motor vehicle designed for carrying more than seven passengers or transportation of persons for compensation, excluding taxicabs

Taxpayers that do not owe WV income taxes and are not required to file a WV income tax return will be able to file a claim for a rebate in early 2025 of their Motor Vehicle property taxes paid. Continue to check tax.wv.gov for more information and form requirements as they become available.
