- AVATANSA DESIGN STUDIO provides design and construction services based on the customers' objectives, strategies, and goals.
- Whether for a place of work or home, AVATANSA DESIGN STUDIO discusses how the project and space will be designed and how each element adds to the overall effect.
- Our team of architects and interior and landscape designers can help you get the most out of your space or property while making it beautiful.
- We tackle all projects with the mindset that design is the solution.
- AVATANSA DESIGN STUDIO is the one of the leading company for build and design construction in BIHAR .

Interior Design

Quality interior architecture.

AVATANSA DESIGN STUDIO helps homeowners and property developers design ideal spaces for living, whether it is a villa, apartment, room, hotel, mall, or unit in a residential building.

Our team adds significant value to the design, building, and renovation stages. With every project, the team first aims to understand everything

AVATANSA DESIGN STUDIO brings out the desired theme in the design, taking into account multiple factors such as the mechanical, electrical, and plumbing systems as well as the costs in the construction and maintenance long term.

LIVING AREA

the living room is supposed to be the showcase of what you are to the people who visit you, if not the whole world. Hence we have exclusive specialist designing solutions towards this end wherein we venture to set a definite mood to your living space while incorporating expensive materials used in perfect symmetry with rich spicy colors and a variety to textures. Other furniture and accessories are placed in perfect harmony with the design layout.

From the placement of the furniture, selection of the upholstery and furnishings to abiding the theme and mood required for the living space with the latest – in – market trends, the specialist, specially design the living area.

STAIRCASE AREA

Create a neat workspace with storage, floating wall ledges, and proper lighting – calm, non-intrusive office space for working from home.

KITCHEN & DINING DESIGN

A white and grey-themed kitchen design with spacious interiors. This comfortable design is enhanced by the natural light coming in from the window, giving the place a calm, peaceful vibe.

This unique bedroom design is meant for homes that have plenty of space and provide the owner with an option to keep it simple. Well-lit, warm and luxurious, this bedroom design is simply dreamy.
