About Company

Avatansa Construction Pvt Ltd is an architectural consulting firm started with great ambition to wave the world of architecture. Later the company expanded its work in different varieties such are Design & consultancy, Residential & Commercial projects, Engineering & Construction, Interior & Exterior Design, Vastu Consultancy, Audio- Visual consultant.

BRIEF HISTORY

Avatansa Construction Pvt Ltd is our mother company. ACPL was founded by Shree he Choudhary Chandra Avatansa in 1990. He always left a deep mark of respect on everybody he met with his intellect and vision. This quality he passed on to his son Er. Vishal Choudhary (Managing Director and Senior Engineer, ACPL) who carried over his idea after the company was registered in MARCH, 2014.

To provied

To provied client focused service through our responsible practice of Architecture as our tag line "Building ur Dream Home" reflects it. To become most respected enterprise by delivring

Developing linkage with world class organization to strengthen industries relationship for mutual benefits.

To strengthen our company by adopting emerging techniques / tools to provide best solution to ur clients.

To contribute to the continual new reserch of the world structure.

MSON

most respected enterprise by delivring qualities service.

S – SPECIFIC

This isnt the time to be vague. We want to increase gross revenue by 25% and profits by 10% in 12 montha by adding 3 new luxury residential design project is very specific and helps our team understand the specific measures for success.

M – MEASURABLE

Determine upfront how we will measure ur progress and results. for exwe want our firm to show up more often in google search for architects in our area or specialty or we want to double the no of new clients or project we bring in.

A – ACHIEVABLE

Keep pur goals grounded in reality . Be realistic about time table and the budget we will need to reach our goals.

R – RELEVENT

Its not enough to take action on just anything focus on action they are relevant to the results we want in our company.

T – TIME BOUND

Its important to set deadlines for completing goals. this keep our team from getting sidetracked or forgetting them.
