

# Creativity Lesson: Standing Up for Your Beliefs!

## Henri and the Magnificent Snort

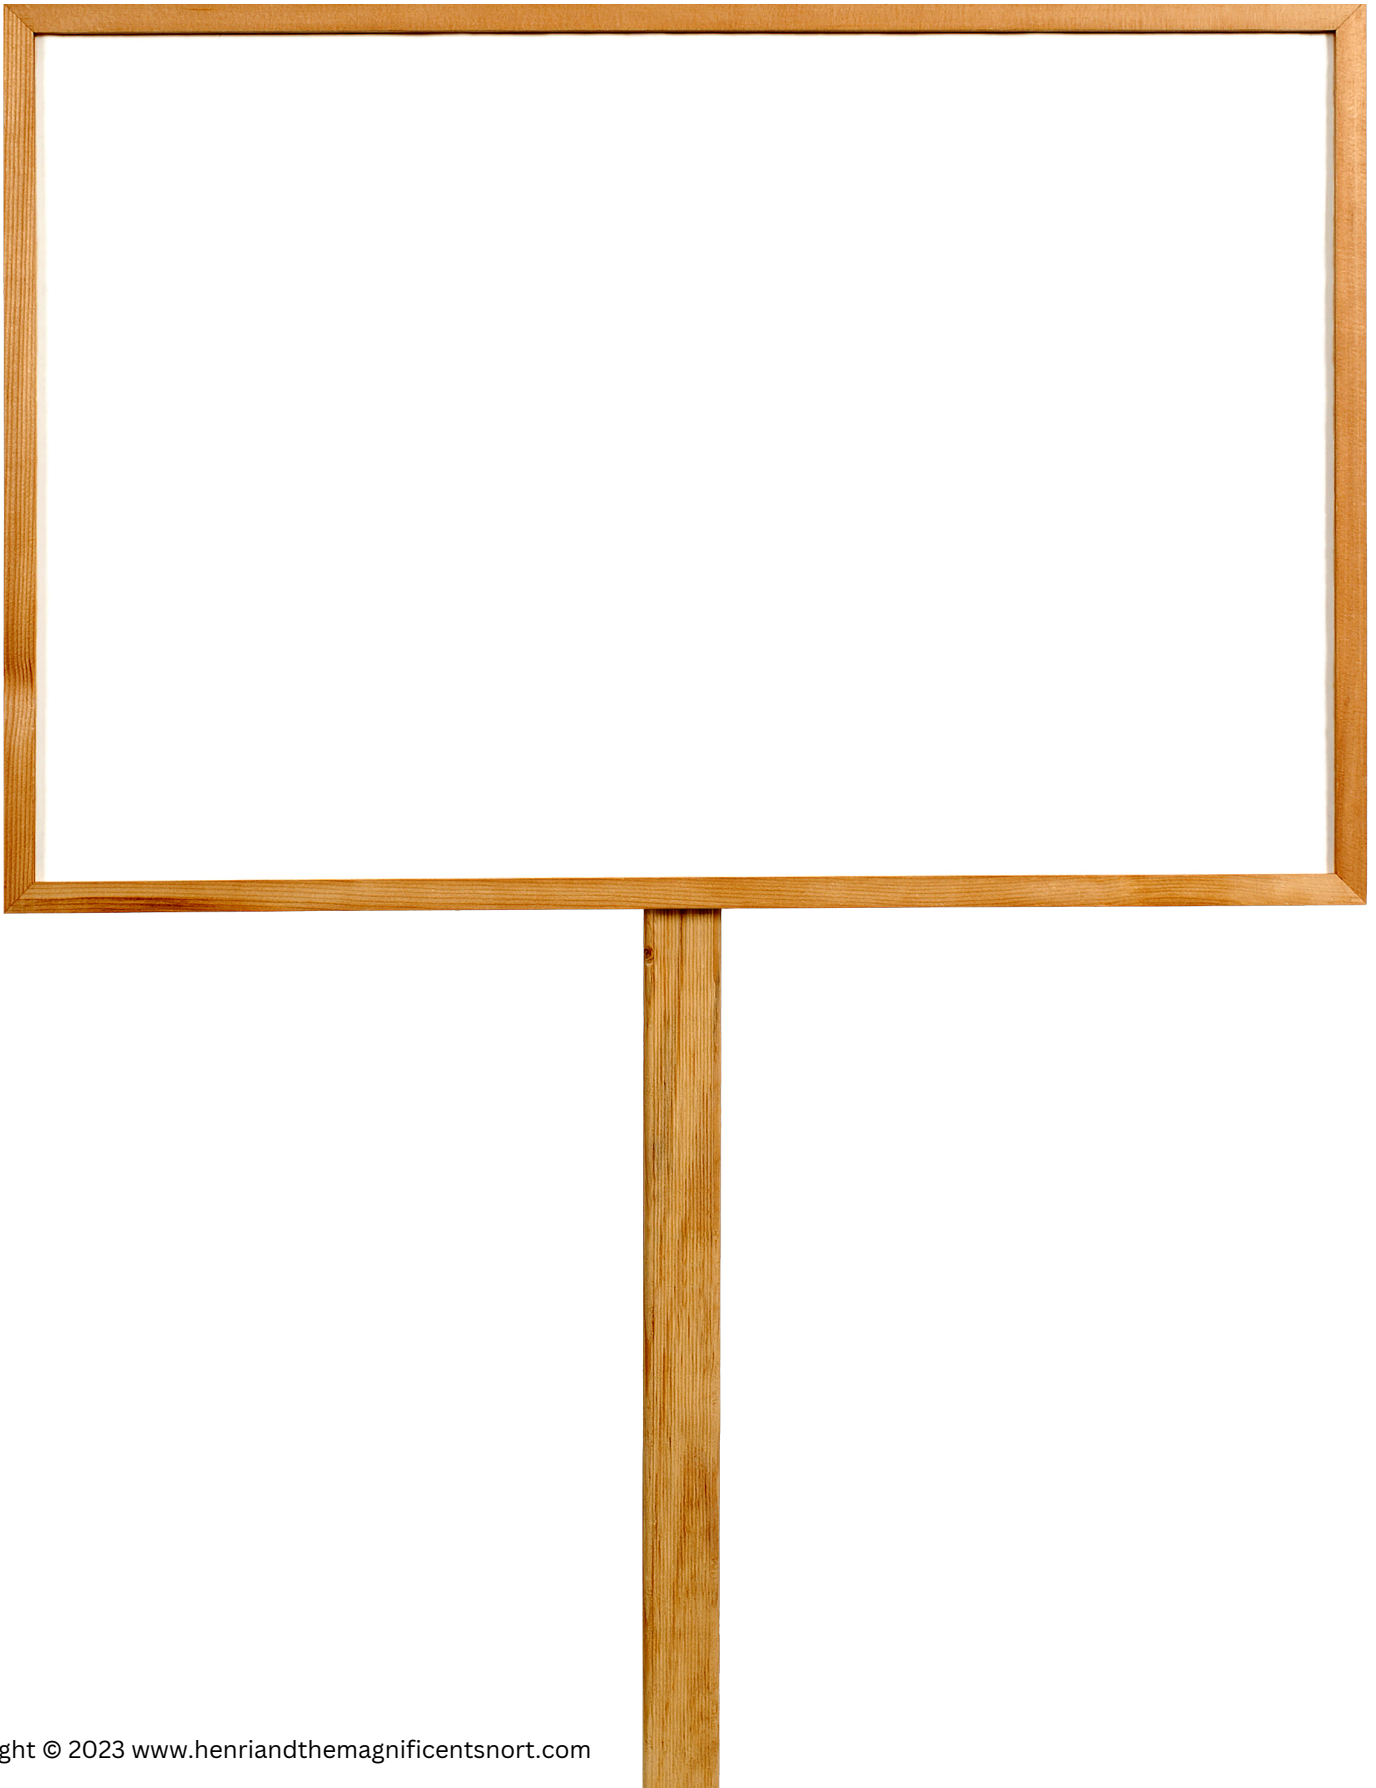

In the book, Henri holds a rally to prevent bullying, teach kindness, and to tell the other dogs that they are all special *and* all connected. The dogs that come to Henri's rally bring signs that they have made to help support his cause.

*Assignment:* If you were going to Henri's rally, what would your sign say? How would you decorate it? On the next page, write and decorate your sign for Henri's rally.

*Bonus Assignment:* If you were going to hold a rally, what would your cause be? It can be anything you want! What do you believe is important that you want to share with others? On the last page, pick your rally cause and design a sign for it!
