MAKING KIT

INSTRUCTIONS:

Using either the Henri or blank template, make a bookmark that reminds you of all the things that make you magnificent! Draw or write (or both) on the bookmark.

Some ideas of what to include:

Things that you love
Things you love to do
Characteristics that make you you

Bonus:

Make an extra one for a friend or family
(Everyone needs reminding that they are magnificent!)

Example

Using the blank template,
Samantha included drawings and words
of the things that she loves, loves to do, and
her unique characteristics.
Have fun making yours!
