

SNORT!

ART LESSON: CREATE A SNORT!

HENRI AND THE MAGNIFICENT SNORT

Unleash Your Imagination!

Instructions

Welcome to the Create a Snort Activity! Get ready to bring Henri's magnificent snort to life through your artistic and creative talents. In this activity you'll have the opportunity to design your own version of Henri's snort, adding colorful designs that capture its uniqueness.

Follow these steps to create a Snort Masterpiece:

Materials Needed:

Paper / Pencil/ Colored Markers, Crayons, or Colored Pencils

Steps

1. **Imagine Henri's Snort:** Henri's snort is a sound that you hear with your ears. Use your imagination to picture what it might look like if you could see it with your eyes. Take a moment to think about what Henri's magnificent snort might look like. How would you illustrate this distinctive characteristic in a creative and playful way?
2. **Design Your Snort:** Use your imagination and artistic skills to draw Henri's snort on paper. Feel free to get creative with patterns, shapes, and colors that represent Henri's joyful personality.
3. **Incorporate Colors, Patterns, and Details:** Use colored markers, crayons, or colored pencils to add vibrant and lively colors and details to your snort design. Let your creativity shine through!
5. **Personalize Your Design:** Henri's snort is a unique feature, just like your artistic interpretation. Add personal touches that make your snort design one-of-a-kind.
6. **Reflect on Uniqueness:** As you work on your snort design, think about how Henri's snort makes him special. Consider the message of embracing uniqueness and celebrating our differences.
7. **Display Your Snort:** Once your snort design is complete, proudly display it in a spot where others can see it. Share it with friends, family, or fellow readers to spread smiles and positivity.
8. **Reflect on Henri's Journey:** Take a moment to reflect on how this activity connects with the themes of self-acceptance and celebrating individuality in *Henri and the Magnificent Snort*.

Remember, by creating your version of Henri's snort, you're honoring Henri's uniqueness and embracing your own creativity. Enjoy crafting your Snort Masterpiece!
