NEIGHBORS SUPPORTING OUR FANTASTIC NEIGHBORHOOD

We're your residents' association focused on **promoting community welfare and encouraging social interaction**. Your dues directly support annual events like the Garage Sale, Bike Parade, and Ice Cream Social.

PRORA is committed to fostering communications between our neighborhood and city government on plans, proposals, and activities affecting us.

Please take a moment **today** and support 2025 neighborhood activities with \$25 per household. *That's less than 3 of my favorite items from Costco, or 3 dozen eggs right now!*

Easy PayPal and credit card options at www.prora.us or checks gratefully accepted at:

Please Thank Our President Amy Pacheco!

The PRORA Board sincerely thanks **Amy Pacheco**, seen here with her spouse Jim, for all her hard work and leadership over the past 14 years!

In 2011, Amy joined the PRORA Board and served as Coachman Estates District Representative for many years. She then added the Secretary role for several more years, then Vice President for one year, and has been our dedicated President for the past two years. We'll miss her.

Thank you, Amy!

A New Record: 53 Candy Cane Light Poles!

Please give a BIG PRORA THANK YOU to **David Stuart, Randy Simons, Kevin McCurdy, Randy Weatherby, and Matthew Bowles** who decorated an astonishing 53 light poles this season. That's 200 sets of rope lights which would stretch 3/4 of a mile end to end!

A hearty round of applause for the **53 neighbors who graciously paid the electric bills, supplied extension cords and setup timers** to illuminate all these Candy Cane Light Poles for the holidays! **Thank you** for making our neighborhood **shine** last December. It is quite a dazzling display.

Over the years, many neighbors asked how they can keep the Candy Cane Light Pole Tradition alive. If you would like to support this wonderful neighborhood volunteer activity, you can:

1. **Volunteer to join the Candy Cane Team!** Hands-on training and materials provided for installs in November and removals in January, about 8 hours total. Contact Head Elf David for details at dstuart22@comcast.net.
2. **Donate to replace failed rope lights.** With over 200 sets in use, we replace many strands each season. All funds will be used exclusively for sustaining the Candy Cane Light Pole tradition within PRORA neighborhoods.
