

HAPPY 250TH BIRTHDAY, AMERICA!

A heartfelt PRORA thank you to **Alissa Martinez** who hosted our biggest ever **July 4th Parade!**

With a new chalk starting line, and our very own **Fire Engine Company 16** thrilling the crowd, the PRORA board was so happy to see all our neighbors celebrating in their red, white, and blue finery.

Thank you for celebrating this historic holiday with us and your PRORA neighbors!

YES, THE HOLIDAY STROLL IS RETURNING!

Back by popular demand, the 2nd annual Holiday Stroll through our neighborhoods to admire all the colorful holiday decorations is planned for Sunday evening, **December 13**, starting at 5:30 PM.

Our generous neighbors who pay the electric bills, and David Stuart with his returning team of Candy Cane Elves, **truly light up** our community during the holidays, and we want you to have an opportunity to enjoy it with your neighbors on a special night.

Details on hot chocolate stands, caroling, and other activities during the stroll will be shared as we get closer to the holidays. See **you** there!
