AKIAK FACILITY SYSTEMS + THE BUILDING PEOPLE

**TOGETHER WE ARE BUILDING
INNOVATION**

Akiak Native Community is the name of our Tribe. Our purpose is to build a better economic future for the Indigenous in Akiak, Alaska.

We Are Yup'ik.

Central Alaskan Yup'ik is the largest of the state's Native cultures, both in the size of its population and the number of speakers. We call ourselves "Yup'it", or real people.
