

Oregon Farm Sanctuary Adoption Application

Thank you for your interest in adopting an Oregon Farm Sanctuary rescue dog!

We do not charge an adoption fee. However, a pay-it-forward donation is always appreciated to help us continue saving other dogs. Each dog that comes into our care requires significant resources for veterinary care, transport, training, and spay/neuter. That said, we never want cost to be a barrier to giving a dog a loving home, so donations are completely optional.

The dogs we take in are often high-risk—dumped, abandoned, or on last call before euthanasia at overcrowded shelters. These are true rescue dogs, given a second chance because someone chose to step up and say yes.

Once you submit your responses, we will review them. If it looks like a good match, we will schedule a time for you to come meet the dog. Adoptions can be completed the same day.

Please note: We do not place holds on dogs. If another approved adopter schedules an appointment before you, there is a chance the dog may be adopted prior to your visit.
