When another mortgage company hiked our closing costs, Nick assured me he could close us for half the price and he even got us a better interest rate. He and his company worked tirelessly through contact nearly every day for over a month. He did all he could to remove any road blocks and keep us, as first time home buyers, from any surprises. Nick was so helpful in explaining everything in laymen terms! We switched to him when our previous lender seemed disinterested in helping us in just getting rough numbers. Nick called me back THAT DAY with rough numbers, and from that point to closing was just so helpful- he even had to "rush" to get us closed and we closed right on time. We'd definitely use him again.

He and his team made everything so easy - I never had to worry about anything. My realtor even commented that she wished all lenders were as great as Nick. Fast. Professional. Friendly. I would absolutely recommend Nick to anyone!

Nick was AMAZING in every way! His communication, helpfulness, professionalism were at an all time high, throughout the whole tedious process. Nick was very attentive on our loan the whole time, he made sure things got through correctly, smoothly and in a timely manner. I'm very impressed and would recommend him 10/10 every time! Amazing work!!

## **Great service!**

katherine daganaar from Liberty, MO

My husband and I had been having issues with the loan from our bank, from them not wanting to give us the size of loan we needed to not covering the areas we looked at. We were then referred to Nick by our realtor and he made the process so easy. Instead of taking weeks to get preapproved, we were through the process in a matter of days. He got us a lot more money than the bank would have and was great for us as first time buyers. He got us a lower interest rate than our bank and got the loan closed quickly when we found the house we wanted. We could not have purchased our home without him!
