Special meeting for Blacktop was read and motion to approve by Richard and 2nd by Tom.

TREASURER REPORT – Treasure report was given by Lorraine. Approved by Tom and 2nd by Richard. Discussion about the Fire Department money market and not having any statements.

Highway aide is coming in October.

CHAIRMAN REPORT- Nothing

SUPERVISOR REPORTS-

Roads that need work

North Chico on North End

Steel Lane has water running down the road

Copper Lane- Big Culvert – Sinking needs more granite in use the 1 ton.

Comments on the Audience

Haas-

Set conditions- Plano need to use to turn around for the snowplows. Will have driveway to W. Bruce left the loader, and we kept track will Haas let us use the loader. Haas doesn't want guys to go and start the loader in 20 below. Questions on how many trucks will run per day and making rounds.

Road issues- The Peterbilt is in the shop, the turbo is out and estimated cost is \$11,000.

People are filling in the ditches with blacktop and granite in the ditches.

There are 2 skids in the ditch blocking water on 154963 Wild Rose Lane, it is under Normand Irrevocable Trust. Is that Stephen that works at Swiderski?
Chris Gritzmacher at 154398 Marshall Hill Road.
Kawanis – needs ditching
Rocks dug out on Buffalo Ridge, wait till fall to get them out.

Lloyd Brandenburg

Town of Texas Marathon Co Book, 2nd to the last page. Delmar talked to Shane.

Putting in a town road is not a subdivision.

If you don't require blacktop, will you require more road base.

4 or less would not require blacktop over 5 would require blacktop.

Road base is okay without gravel; rotten granite would have to be removed.

Brandenburg said they are paying towns fees.

10 inches of road base and 4 residents lots.

Make a motion to approve by Tom and 2nd by Richard

Shane will draw up paperwork.

Lloyd submitted an application and 90 days will be up on October 12.

Need to come and look, process to get approval for road is through the application. If they get the approval with this he will stop the process if there is another way other than the application.

Delmar will talk to Shane about the application. Lloyd will take care of the lawyer bills.

Kiwanis ditching – washing into the road. Ditches are full, you can put a culvert.

Culvert must be 25 feet off the lot line. High line pole is right on the line. Gary's

Look at it and have further discussion.

Brush cutting- Asplundh

Jim Bruling – driving through ditches and making a mess. There grinder was down. Will start grinding today.

Richard will talk to them put on Agenda for next month. Also Fiber optic coming in trying to clean up the mess.

Fire Department- Nothing

October – FD grant again.

Nicki wants EMS equipment. How many residents? 14 to 16 thousand. Downfall is having to share. Nicki is tracking spread sheets with what we spent. Use the town account but separate for EMS. Will work through it.

Planning Commission- Paul will call about the comprehensive plan.

Assessment – Do not have to post for bids. City of Wausau partial assessment about \$30,000

Brad Bublitz had a 24 to 40 culvert do we need to bill?

2027 Bridges are down to be redone.

River Hills 30 ton

County Line 20 ton

Normally they do both at once. Only want one done at a time. Richard must have a good reason.

Non-Metallic mining – nothing yet

Bill for Green Valley

Will we have trip money this cycle. Need to apply for Grant money.

Ag road improvement wanting to cut over a million dollars paperwork to do.

Review vouchers and sign

Motion to adjourn by Richard and 2nd by Tom
