Directions:

From the I-5 freeway:

Exit La Jolla Village Drive, head West, and go Left onto Villa La Jolla Drive.

Be in the right of the two left turn lanes so you can immediately turn right into the first driveway or the next stoplight, just past the big UCSD buildings on the corner.

Continue straight ahead to the parking under the La Jolla Wellness Center building. Keep going straight to reach the rear of the building to park. We are in Building C on the first floor over the parking: take the stairs or elevator, and C113 is located behind the elevator.
