

CHINA SANCTIONS AND EXPORT CONTROLS CERTIFICATE COURSE

The China Sanctions and Export Controls Certificate Course is a self-paced learning program co-developed by former officials from the U.S. and Chinese governments, alongside attorneys from Tier 1 law firms in the United States and China. With input from experts in Washington, DC and Beijing, it's the only professional certificate course in the market covering China's sanctions and export control framework.

This certificate course may be completed towards earning the CSECP certification.
