From lamb to chicken, grits to greens, Kentucky farmers produce some of the freshest and tastiest ingredients. As a local institution that helped build the Louisville restaurant scene, Bristol Bar & Grille supports these local farmers and producers by being one of the largest purchasers of local foods in the region. To us, the men and women who grow, raise, and cultivate the ingredients served on your plate are more than just suppliers. They are our featured farmers. They are our friends. We believe it is important for you to get to know who they are, what they do and why it's so important.
