

A word from the Editor.....

What's going on in Forest Lakes this week-end? Nothing planned except for everyone to celebrate Mother's!! Everyone is not a Mother, but everyone HAS a mother! Whether you are in Forest Lakes or wishing you were, please have a wonderful and safe week-end.

There are lots of activities and events planned for the next few weeks. You will find information about them below. Most of the flyers are downloadable and printable. I'm loving the new features of our new E-blast system and hope it is user friendly for you.

Hope to see you soon at one or all of the upcoming events!

### **FLOA Work Day on May 4th a Huge Success!!**

The yard is raked. The canopies are set up. The house is all spiffed up. We're looking good for the upcoming summer full of events, activities and fun! The saying that "many hands make light work" held true. It might not have been "light work", but the "many hands" got the job done.

*Many, many thanks \*\**to the following people who gave up a couple hours of their Saturday morning to help - Mack and Mary Hume, Shane Williams, Scott Keele, Paul Studer, Keith Barr, Frank and Judy Summers, Lucy and Gary Richardson, Shaylee and Scarlet McKeever, Walter Brendeke, Rosanne and Bill Smith, Larry Prather, Scott Bennett, Dennis Walters, Ollie Horton, Al Wagner Jake Jacobs and John Skeldon.

FLOA wouldn't exist without our members who so readily volunteer to help at our events!
