The Black Mesa Ranger District is planning a prescribed burn in the Nagel Forest Health Prescribed Burn Area early next week if conditions are favorable. This area is North of Woods Canyon Lake. We should not experience any smoke in Forest Lakes, but if you are travelling the highway between Forest Lakes and Payson, you will see the smoke.

Green Waste Transfer Station will be closing soon for the season

Only 3 more week-ends to get those pine needles and green slash to the site before it closes for the season on Saturday, November 23rd.

November hours are from 9 AM to Noon on Fridays and Saturdays.

RAKE, RAKE, RAKE!! Then REST, REST, REST!!

From our Librarian....please note Library hours for Thanksgiving week.

M (9-5), T(9-5), W(9-3). Closed Thur, Fri and Sat to stuff our faces.

VERIZON TOWER UPDATE from Fire Chief Dave Rodriguez.....

Groundbreaking happened on November 6th. A hole 32 feet deep and 8 feet wide hole was dug for the support base and filled with re-bar and concrete. The project is on schedule. Check out the pictures below!

It's exciting to think that our upgraded Verizon service is just around the corner! Hang in there with the patience.
