The August FLOA Board Meeting scheduled to be held this coming Saturday, August 15th, has been **changed to a closed meeting**, due to continuing CDC guidelines.

REMINDER

A Memorial Book for Wayne Rothwell is located on the front porch of the Forest Lakes Community Center (1111 Merzville Road) this week (August 10 - 15) for neighbors and friends to stop by and write down your memories of Wayne. The book will be delivered to Carol and family after all have had a chance to capture some of our many fond memories of Wayne.

HWY 260 Accident Claims the Life of Resident Luanne Ahrendt

You have most likely heard of the tragic accident that occurred on Monday in front of the Forest Lakes General Store. Luanne Ahrendt, one of our dear, longtime summer residents, had gone to the post office for mail, and was crossing Highway 260 as she was leaving the store when she was involved in a fatal traffic accident.

Luanne leaves behind her husband, Ed, who lives on Summer Loop. Her son and daughter-in-law, Terry and Laurie Ahrendt also have a home Forest Lakes.

We send our deepest sympathies, thoughts and prayers to the entire family. No further details are available at this time, but we will update you as soon as they are

available.

If you wish to send notes and/or cards, the local address for Ed is P. O. Box 1164, Forest Lakes, AZ 85931. Terry and Laurie Ahrendt's mailing address is 3865 E. Farmdale Avenue, Mesa, AZ 85206.

WHAT CAN WE DO TO MAKE SOME CHANGES IN HIGHWAY SIGNAGE THROUGH FOREST LAKES?

For many years, residents have voiced concerns about the speed and recklessness of vehicles going through Forest Lakes. Travelers DO NOT SLOW DOWN, even though a speed limit reduction sign is posted in either direction. They don't realize that they are entering a community where many people live and have homes.

Have you ever wondered what you could do to make a change? PLEASE take time to consider and act on this. More lives depend on your quick action. Send a note to ADOT to request better and more visible signage for awareness regarding safety of our roads through our community.

Go to https://apps.azdot.gov/contact_adot/ for instructions on how to submit a request for better signage.

Here is a phone number from their website as an alternative contact:
602 712 7355 - for Non Motor Vehicle Inquiries.

Thank you to Judy Summers for sharing this information to make it easy to communicate our concerns and wishes for change.
