Your patience has been very much appreciated during the past few weeks as the large accumulation of rain has caused unsafe driving conditions on the site. Thank you for understanding the reasons for frequent closures.

Forest Lakes Fire District Auxiliary Report

Our new t-shirt design was a huge success. We have restocked and are ready for the Community Market on August 7 and will be set up in the Q. Please stop by and get your Forest Lakes Fire District Auxiliary shirt while they are in stock. There are a few of the "I'll Be At The Cabin" still available as well. We have also restocked our mug supply. The sale of these items is one of the ways the Auxiliary raises money to support the Forest Lakes Fire District. This year's fundraising will all go directly to the purchase of a heart monitor for the Fire District.

The Auxiliary is in search of a medium sized countertop microwave. If you have one in good working condition that you would be willing to donate to our organization, please contact Jan Cummiskey at (602) 510-8264.

FLFDA Board Nominations

The Forest Lakes Fire District Auxiliary conducts various fundraising activities to support the Forest Lakes Fire District (FLFD). That support helps provide equipment and supplies that enable FLFD to provide first rate fire and EMS services to the community of Forest Lakes, 14 miles of Highway 260, and surrounding lakes and campgrounds.

The FLFDA is managed by a five-member board, and the members serve for two-year terms. This August, the terms for two existing board members expire. The FLFDA needs nominees for these board positions. Elections will be held at our August Board meeting, August 21, 2021. If you are willing to serve on the FLFDA board, please contact Chris Bennett at (602) 390-3960 or Rita O'Brian at (480) 294-3511 NO LATER THAN AUGUST 14, 2021, to discuss.
