NO PARKING ORDINANCE SIGN AND RULES
CANYON DRIVE CLOSED
WEATHER FORECAST FOR REST OF THIS WEEK

If you are going to be spending some of your holiday time in Forest Lakes, please know that you will need to arrange to have your driveway and entrance cleared before you arrive because you cannot park in the street. If you need help with any snow removal, here are the names and phone numbers of those who can service you:

Snow Removal

John Skeldon --- 602 999-2663
Scott Bennett --- 602-526-0485
Eddie Riddle --- 928-535-4435

REMEMBER:

When our County Public Works Department is snow plowing, driveways may grow a berm at the entrance. It is the property owner's responsibility to keep it cleared. Happy shoveling!

Coconino County's Winter Parking Ordinance In Effect

From our County's Sheriff's Deputy McKeever:

An area of concern is people parking in the roadways again. I'm finding that many people who are parking in the roadways are rental houses. I'm asking homeowners who rent their homes out, to relay to their renters there is absolutely **NO PARKING** in the right of ways or roadways during the winter

months, (see picture of sign that is at all entrances into Forest Lakes).

It is a Coconino County Ordinance. I've always tried to be lenient but times have changed and it's getting to be a problem for plows, so the days of warnings are over. Citations will be issued and vehicles can be towed if necessary.

CANYON DRIVE IS CLOSED DOWN FOR PUBLIC USE AS OF TODAY AT 8 AM

The only vehicles allowed will be homeowners and Emergency vehicles. This is being done for Public Safety reasons. Once this closure is put in place violators can be cited. This is the same as the “stupid motorist” law. Our Sheriff's deputy, Robert McKeever, is asking for everyone's cooperation.

Editor's Note:__ Canyon Drive is the road off of Summer Loop that goes to the Pond. It is not maintained by our snow plow because it is on forest lands. All of that property is Forest Service land. Please do not go there for sledding or playing near the pond. To repeat, this is for everyone's safety. Also note that year around, there are No Parking signs along the road, only in the small parking lot. You vehicle is subject to being towed away.
