**Good Morning, Forest Lakes friends,**

Even though things have quieted down in our community for the winter months, there is still news to report! Check out these articles and participate where you can.

One thing that everyone who is in Forest Lakes this week can participate in, for sure, is the weather! It's getting colder and I hear it's going to snow up to 9" in the next couple of days! Watch for it! Plan for it! If not this week, it will come some time this winter!

*From the Editor....*

A few residents have some cool holiday decorations going on for all to enjoy. If you have decorated outdoors and would like to share with those who "close up" for the winter, please send me your pictures. I'll send them out in a special E-Blast. Or...if we get snow and you get pictures, share them, too. Everybody LOVES pictures!

Hope you are enjoying a wonderful holiday season...It's the most wonderful time of the year!
