LIBRARY ADVISORY BOARD REQUEST
OBITUARY FOR ALEXANDER KLIMUCK

FOREST LAKES OWNERS ASSOCIATION REPORT

Hi Forest Lakes Residents,

During the Winter, the FLOA Board of Directors goes on hiatus, but we recently held a Work Session to start planning for the upcoming Summer season.

Last September, after our Annual Meeting and Elections, we realized that we had not published the Board elections outcome. The 3-year term was up for 3 board members; Shari Massion, James DePriest and Larry Prather. Shari and James agreed to run, but Larry's position was open. There was only one nominee for Larry's position - Judy Nelson (yes, that's me!). After a 2-year break, and some health issues that have been resolved, I felt ready to serve again. So....James, Shari and I were elected for 2022 - 2024. Our current board members are Judy Nelson, President, Quentin Tolby, Vice President; Gabrielle Zornes, Secretary; and Shane Williams, Treasurer. In September, Shane Williams was re-appointed as President but due to his heavy work schedule and other personal reasons, he announced that he couldn't continue as president, and so at our January Work Session, the Board agreed that Shane and Judy would switch positions. We all continue to work well together and hopefully, it will be a smooth transition. We're excited about our plans for 2022!

Our first activity of the year is our 2022 Annual Membership Drive. Every one will be receiving a letter and renewal (or join) form in your mail. Your invoice is pre-printed with the data information we keep in a secure file. Please confirm on the invoice that's been sent that we have your correct info and if not, either mail back the form or let us know any corrections by email at info@floa.club. You can send a check for dues or we now have the capability

to take credit/debit card payments on-line by going to our website, [www.floa.club](http://www.floa.club), click on the Membership and follow the prompts.

Membership dues are just \$30 per year per property owner, and at that low cost, we would like to see all property owners be members. Dues are our main source of income to pay our expenses, like utilities, insurances, property taxes and the ability to offer many events at no cost to our community. We would like to see 100% participation! "Over & Above" Donations can also be made and they go for the maintenance and improvements for the Community Center buildings. Please join! Thank you so much for supporting FLOA and joining the "club"!

See you soon, Spring and Summer are almost here!

Judy Nelson, President for the entire FLOA Board

A REMINDER FROM THE FL LIBRARY ADVISORY BOARD ... PLEASE CONTINUE TO SUBMIT PHOTOS FOR OUR CALENDAR!

From Board members Roberta, Leslee & Michele

We, the Library Advisory Board, are gathering information and photos in order to make a new fundraising calendar. Our goal is to have a 16 month calendar ready for sale by the Memorial day festivities. The proceeds of the calendar will 100% benefit the Forest Lakes Library programs and materials that Flagstaff does not provide.

Did you know that at the library not only are there books, computers (wifi), lots of movies with free rent, but other fun things as well? We have Legos, STEM projects, children's programs in the Summer, like the State reading program, story time for littles, crafts and projects, hikes, fishing derby, book club, etc. Please help us to support our Library and its programs.

We are still in need of good quality personal photos from Forest Lakes and close surrounding area (scenery and wildlife photos preferred). We are asking residents to please send us ONLY your own personal photos (no reprints or copies), preferably with no people included.

We need these photos submitted no later than March 15, 2022 for consideration, along with the name of the person taking the photo, and with some description (like location, month taken, etc.). The Advisory board will then select the photos to be included in the calendar. We are using a professional calendar printing company recommended to us by the Payson Photography club, so these calendars should be very good quality.

Please send photos and information to advisoryfl.lib@gmail.com before the deadline date

of March 15, 2022 - the sooner the better. You may also direct any questions to this email address as well.

Thank you for your support.

Sending our love and sympathies to the family of **ALEXANDER "AL" KLIMUCK**, longtime resident who passed away on January 18th. Alexander "Al" Klimuck passed away January 18, 2022. He was preceded in death by the love of his life Alma Louise (Godfrey) Klimuck and eldest son Kenneth Leigh Klimuck. He is survived by loving sons Timothy Alexander (Janet), David Phil, daughter Christine Lee (Klimuck) Wahlenmaier and Ken's wife Sharon. Also grandchildren Eric, Brenda, Brian, Meghan, Adam, Kaylah, 11 great grandchildren and three great, great grandchildren.

Al was a commercial electrician throughout the valley until his retirement, whereupon he and Alma enjoyed traveling in their motorhome. After their travel adventures they enjoyed many years of fishing, playing Boggle on the front porch and enjoying the wildlife at the family cabin in Forest Lakes.

The Klimucks were summer residents in Forest Lakes for many years. (Alma passed in 2008) they raised their family in Sunnyslope. The Klimuck family has owned the family cabin on Larson Loop for over 36 years.

Condolences may be shared at www.menkefuneralhome.com
