FOREST LAKES OWNERS ASSOCIATION (FLOA) MEMBERSHIP DRIVE
COMMUNITY LIBRARY NEWS

Updated information on services for Shirley Tolby...

Grave side services will be held on Saturday, February 13th at 11:00 AM at Rest Haven Cemetery, Glendale, Arizona

FROM THE FOREST LAKES OWNERS ASSOCIATION BOARD OF DIRECTORS

Hello Forest Lakes community,

FLOA has kicked off our annual membership renewal drive. A letter from the president and a new format membership form is on the way to you all via USPS as of Friday morning. Watch for the envelopes with the green fir tree stamp to show up in your mail boxes soon. If you don't receive one in the next week or so, you can click

[here](#) for a copy that can be found on FLOA website. It is a downloadable document that can be printed but don't forget to print both sides.

Member annual dues keep us up and running and allow us to continuing to provide our services to the community. We appreciate your membership and any above and beyond contributions if you feel inclined.

We're also updating our community Phone Directory for 2021 and encourage you to let us know (via the membership forms we sent) if you have address changes/corrections and confirm whether you want your phone number listed in the directory. Simultaneously, some of the board members are reaching out to our fantastic directory advertisers. If you'd like to see your business or service promoted in the Forest Lakes 2021 directory, let us know! The

deadline for directory updates is March 17th (St. Patrick's Day). We can't guarantee inclusion of any changes after that due to print design and deadlines.

Last year was unprecedented with the COVID pandemic impacting all of us in different ways, but the FLOA board is committed to rebounding this year with the same enthusiasm we've always had. We're busy planning pancake breakfasts, rummage sales, community markets, etc.. We look forward to being able to open the community center and resume our neighborly events in a safe and responsible manner as soon as we can.

This summer we're looking to resume construction of additional permanent ramada type structures. If you or your family would like to consider sponsoring a ramada, reach out to me directly. As far as I know we've never done anything similar, and I'd love to hear your feedback/ideas on the topic.

We're planning to have our first meeting for the season in May. I'd really like to open it up to the public, but we still need to see where the COVID numbers are at that time, as well as continue to comply with county/governmental rules on meeting sizes, etc.. More info to come on that topic as we get closer to May.

That's it for now. I hope you will renew or become a FLOA member for 2021, and I look forward to seeing you up on the mountain.

Most respectfully,

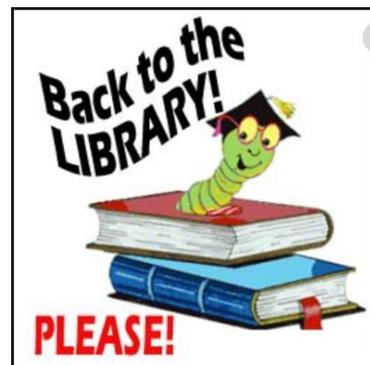

Shane Williams, FLOA president.

Forest Lakes Library wants to thank the Chevelon Butte School District for their grant to purchase books for younger readers (and those young at heart). They will be ready in a few months when the crowds return.

A little library poetry:

Roses are Red

Violets are Blue

Quit watching DVDS and video games

Instead read a book or two.
