Forest Lakes General Store Has New Owners

FOREST LAKES GENERAL STORE HAS NEW OWNERS

A Letter from Bob & Veronica Mannett.....

It is with grateful yet heavy hearts that we want to inform the community that the Forest Lakes General Store has sold.

We want to sincerely thank everyone for your contribution to the continued success of the store and the wonderful support you have shown. Whether it be purchases or just simply your heartfelt emotional support. It all means the world. Thank you for the memories and the friendships that have been established over so many years. The love has always found a way to overwhelm and make us better.

Forest Lakes will always continue to be part of our lives as Bob's family has had a place here since the 70's. We have been part of many things through our years here. It has been a fun and rewarding ride and we look forward to continuing to get to spend time with each of you. Being part of a small community has changed us for the better and it is something we will always carry with us.

Where the road goes from here, we're not sure yet. We look forward to finding new ventures.

It is with excitement that we look forward to each of you meeting the new owners of the store. Brad & Mariah Douglass and Brian & Christina Teske, along with their families are ready to become part of the great community of Forest Lakes. I truly

think they are going to be able to come in and make some exciting changes in the future. Anticipate hearing from them soon and creating the same relationships with them as they start out.

You will still be seeing us in the spring as we will be helping the Douglass & Teske families in getting started for the new season. We look forward to seeing you all and getting to introduce you to them.

Thank you all again for everything!

Love,
Veronica & Bob
