Editor's Note:

I don't spend a lot of time in Forest Lakes in the winter and especially during a snowfall, but my husband John needed to be in the area because he is a volunteer with the Coconino County Amateur Radio Emergency Service. We are really enjoying the Winter Wonderland! I'll share a couple of pictures for those who are not here in the winter.

It is very busy here this week-end with lots of residents wanting to take advantage of some snow time. However, extra traffic brings more road use and very slippery roads. Many vehicles are not equipped to handle ice and end up in ditches. One example of what can happen is pictured below.

Please practice safety first at all times and in all situations. Lots of accidents on Hwy 260 this afternoon.

three boys. His brothers, Richard and Jerry proceeded him in death.

He was married 65 years to his wife, Jackie and they were blessed with four children, Rhonda, Scott, Troy and daughter Tina, who also proceeded him in death.

He retired from Honeywell BULL with 50 years of service. Both he and his wife, Jackie, worked at the same facility. He loved spending time at their cabin in Forest Lakes, AZ. A private service was held.

Editor's Note: Ron and Jackie have many good friends in Forest Lakes who would want to know of his passing. Jackie is recovering from Covid. She is doing ok and getting a little better each day.

The family thanks you for your prayers for their family during this difficult time.
