Your E-Blast Information Station for
News Flashes—Reports—Updates
Events—Newsletters — Announcements

From the Editor.....

January 6, 2021

Happy New Year! What better time to make some changes to our Forest Lakes News E-blasts than at the start of a new year.

Research has shown that you, the recipient, spend about two seconds looking at an email to decide if you want to keep reading. You want them kept as short as possible. You are okay with receiving emails more often, but with less content. (I've probably already lost your attention - my 2 seconds are up!)

With that in mind, here is what our new E-blasts will look like:

1. The Subject line will always say "**Forest Lakes News for (date)**" The date will be repeated at the top of the Email.
2. When you open your Email, there will be a list of Contents. For example:

TODAY'S ARTICLES

- **Green Waste Transfer Station Will be Open Saturday**
- **FL Fire Station Remains Closed**
- **A Reminder of Verizon**

**Customer
Service
Information**

3. E-blasts will be sent more frequently with less content. No more monthly "Happenings" but you will get the same amount of news.

My commitment is to continue to keep you informed with the latest community news; your commitment is to read it! Thank you!

Let me know your thoughts and/or other ideas.

Looking forward to a great 2021 and wishing it's best to you and your family!

GREEN WASTE TRANSFER STATION WILL BE OPEN SATURDAY!

We plan on opening the Green Waste site this **Saturday, January 9th from 9 AM to 1 PM**. There have been requests to be able to use it due to the very mild and dry winter we are experiencing. More winter one-time openings may be possible, depending on weather.

Did you have a load all ready to take to the Site and then ran out of time before it closed for the season? If you are a seasonal resident, why not plan a trip to your cabin this coming week-end and take advantage of this opportunity?! The weather has been beautiful and it would be a good time to check on your cabin and make sure all is well.

FLFD Fire Chief Dave Rodriguez

The Fire Station remains closed and off limits to all public until further notice due to COVID-19.

A REMINDER OF VERIZON CUSTOMER SERVICE INFORMATION

Any customers that are having issues with Verizon service need to call Customer Service at 800-837-4966. THIS IS VERY IMPORTANT. Sometimes a problem is with the customer's phone set-up and that will be the first issue to be addressed. That might be the only reason why a customer is having trouble with their phone service.

If that doesn't help, Verizon will open a ticket to track each individual issue and determine if it is phone related, or cell related. Then they can move forward to fix your problem.

Put the above phone number in your Contacts list. Please keep in mind that even though the Verizon tower is on leased property from the Fire District, the fire personnel are NOT the ones to call to report any issues.

Ever wish you had kept past copies of a news email? You can find them on the FLOA website at www.floa.club and click on "Latest Email Blasts" on the left side bar Menu.

Did you know?

There are several websites with Forest Lakes information to check out! They are:

FLOA Website: www.floa.club

Fire District: www.flfdaz.com

Water District: www.fldwid.org

General Forest Lakes information: www.forestlakesaz.com
