June 26, 2021

Many residents are reporting the smell of smoke in Forest Lakes last night and today. This will probably continue for a few days, but there are no new fire threats to our community. It's being caused by shifting winds. All is still well! Maybe rain is on it's way in the next few days?? Hoping!

Highway 260 is no longer restricted. You are able to "come and go" to and from Fprest Lakes as you wish to do.

With the forest closure, please stay within the Forest Lakes community boundary. No hiking or foot travel of any kind is permitted. Many have asked if they can go to the pond. Answer: NO, it is closed because it is on National Forest property. There are barricades and gates put up to remind you.

Another reminder.....The GREEN WASTE TRANSFER STATION is closed as long as the forest is closed.

Happy Saturday!  
Judy

## **Announcement from Brad Douglass at the Forest Lakes General Store - Hours Update**

Due to the recent closure of the National Forest we will be limiting our hours of operation to **8 AM -3 PM daily** (Subject to Change)

We appreciate your continued support! Pray for our Firefighters and Pray for Rain!!!

**Take Time to Check out the Forest Lakes History Room!!**

## Located inside the Community Center House

Our Historian, Patti Phillips, would like to encourage everyone to stop in while you enjoy the community festivities at the Community Center and add your Forest Lakes Story to the wall.

If you are new to the community, you can learn a lot about the history of the community by visiting the History Room.
