Signature Series

STRENGTH - BENCHES & RACKS COLLECTION

Sparnod signature series is a comprehensive line of strength equipment that includes single and dual-exercise selectorized units, a dual adjustable pulley, benches and racks. Inviting design and inviting exerciser functionality combine to create a strength line ideal for any facility. Expertly engineered weight stacks, guide rods, pulleys and cables create a smooth feel for exercisers. Components are rigorously tested to exceed industry standards.

Benches and trainers allow for free-weight training, body weight training and proper stretching. Racks offer workout versatility and provide ample storage options for easy exerciser access to dumbbells, barbells and medicine balls.
