   Roa, MD, MScEd; Janice Tufte‡§; and Sandeep Vijan, MD, MS‡.<sup>+</sup> Nonauthor contributor (participated in discussion but excluded f from voting).<sup>§</sup> Nonphysician public representative. American College of Physicians, Philadelphia, Pennsylvania (A.Q., I.E.)
- Patient Engagement Toolkit The Patient Engagement Toolkit offers materials to support researchers who want to engage with patients in conducting research. Our research team created these materials as part of the finished PORTAL project. PORTAL was funded by the Patient Centered Outcomes Research Institute (PCORI) to develop capacity for patient-reported outcomes research, and the PORTAL Patient Engagement Council (PEC) advised the project. The PEC was composed of 10 patients and representatives from patient advocacy groups from four Kaiser Permanente (KP) regions as well as from the Denver Health and Health Partners health systems. Kaiser Permanente Center for Health Research Oct 2019 \*Editable Templates Available https://research.kpchr.org/Patient-Engagement-Toolkit
- Screening for Colorectal Cancer in Asymptomatic Average-Risk Adults: A Guidance Statement From the American College of Physicians Approved by the ACP Board of Regents on 8 April 2019. Published: Ann Intern Med. 2019;171(9):643-654. DOI: 10.7326/M19-0642
