Safeguarding Children Policy - 2024/25

We recognise:

- The welfare of the child is paramount, as enshrined in the Children Act 1989
- All children regardless of age, disability, gender reassignment, race, religion or belief, sex or sexual orientation
- Some children are additionally vulnerable because of the impact of previous experiences, their level of dependency, communication needs or other issues
- Working in partnership with children, young people, their parents, carers and other agencies is essential to promoting young people's welfare

We will seek to keep children and young people safe by:

- Valuing them, listening to and respecting them
- Adopting child protection and safeguarding practices through a code of conduct for staff and volunteers
- Recording and storing information professionally and securely, and sharing information about safeguarding and good practice with children, their families, staff and volunteers
- Creating and maintaining an anti-bullying environment and ensure that we deal effectively with any bullying that does arise
- Ensuring that we have a safe physical environment for children, young people, staff and volunteers, by applying health and safety measures in accordance with the law and regulatory guidance
