

# JOIN US FOR A PUBLIC OPEN HOUSE HONEOYE ACTIVE TRANSPORTATION STUDY

The Honeoye Hamlet is developing an active transportation/land use plan to improve Main Street appearance, pedestrian and bicycle circulation, parking management, and safety within the Hamlet. The study will also seek to improve accessibility to services, recreational and adjacent amenities, trails, and population centers.

## WE WANT YOUR INPUT!

- Biking and walking infrastructure
- Connections to destinations
- Speed management
- Economic Development
- Main Street Appearance

This is an informal setting, so drop by at any point.  
Light refreshments will be provided!

# November 20 | 4:00 - 7:00 PM

Richmond Town Hall | 8690 Main Street | Honeoye

This project is being partially funded by the Genesee Transportation Council
