

**24 Hours That Changed the World  
Based on a Bible Study by Adam Hamilton**

Read

Mark 14: 53-72

Psalm 88  
~~~~~

**Reflection:**

1. Have I ever questioned the actions of Christians I know?
2. How do others view my actions and me as a Christian?
3. Have I ever done or said something that I felt was the will of God and only later realized that I had missed the mark?
4. Peter may have been misguided in his actions when Jesus was arrested, but he was courageous. Would I have been as courageous?

**This week:**

*I will choose to be counted among his followers regardless of the cost.*
