- Healing begins when we take a step

Discussion questions:

1. What's the connection between faith and healing?
2. We need Jesus to heal us COMPLETELY – not just physically. How do we get this healing?
3. How do you approach praying for healing? Do you do it boldly or with certain reservations?
4. In your faith journey, where are you? Are you in the stage of **questioning God, waiting on God, remembering God, or praising God?**
