Key points:

- Darkness is powerful and comes in many forms
- Life with Jesus lets us experience the darkness in a whole new way
- We can each be a witness to the light of hope and healing found in Christ
- God often uses our dark times to display his mightiest works

Discussion questions:

1. Why is it that we so often do not see what Jesus sees?
2. What lesson can we take away from the story of the blind man?
3. Have you ever wondered if God actually sees you? What makes you doubt?
4. Why do you think God may use “less than pleasant” remedies to help us see?
