SANI-ZORB® COMMODE MAT

Biodegradable Mat Manufactured
with Eco-Friendly Plastic

SUSTAINABLE & ECOLOGICALLY-SAFE SANITARY
Patented Products Exclusively From SZP and Its Distributors

EASY TO USE, ABSORBENT/DISPOSABLE SANITARY MATS

In addition to our current mats, the inventor has custom-engineered the "first" and "only" Eco-Friendly urinal and commode mats manufactured with Eco-Friendly plastic additives causing mats to degrade in landfills. (**Biodegradable Certified*)

FEATURES

- The mats absorb urine drips to prevent grout damage and unsightly puddles on the floor under urinals.
- The mats reduce the need to frequently mop restroom floors.
- Provides a drier and safer restroom floor.
- Mats are soft and flexible for easy disposal in a sized receptacle.

SPECIALTY ORDERS

- Aroma or Fragrance available when supplied by Customer noted as Special Order.
- Private Labeling available by request for an additional charge.
- Customized Box Labeling available on certain orders.
