VISION STATEMENT

BUCKLE UP. WE'RE CHANGING THE WAY YOU BELT.
For centuries of men, the belt was meant to keep your pants up.
And it's buckle shut.

For soldiers? Be reliable. And bland.
For businessmen? Match your shoes. Or else.

In every situation, its job was to follow their rules.
What a waste of potential!

A modern belt should be subtle and loud.
Functional and comfortable.
Stylish and secure.
And fit like it's part of your body.

Because how you carry yourself, and what you carry, is who you are.
This is our view. And it's woven into every ratchet belt we make.

We invite you to be free from a one-sided history.
And feel like yourself. In any situation.

And they're priced for a growing body. And each buckle has our innovative Go-In system with a 2 sided, fun emoji ball marker that the kids will love. And the straps are vegan style. 1 3/16" x 2 1/8" - Belt strap is 1 1/4" x 35" Fits up to 35" waist.
