BENEFITS

Protection for hospital stays when a sickness or injury occurs

Hospital Indemnity Insurance

Life is unpredictable. Without any warning, an illness or injury can lead to a hospital confinement and medical procedures and/or visits, which may mean costly out-of-pocket expenses.

Expenses associated with a hospital stay can be financially difficult if money is tight and you are not prepared. But having the right coverage in place before you experience a sickness or injury can help eliminate your financial concerns and provide support at a time when it is needed most.

Allstate Benefits offers a solution to help you protect your income and empower you to seek treatment.

Here's How It Works

Our Hospital Indemnity insurance pays a cash benefit for hospital confinements. This benefit is payable directly to you unless assigned, and can keep you from withdrawing money from your personal bank account or your Health Savings Account (HSA) for hospital-related expenses. It is increasingly important to not only protect your finances if faced with an unexpected illness, but also to empower yourself to seek the necessary treatment.

Meeting Your Needs

- Guaranteed Issue coverage with a Pre-Existing Condition Limitation*
- Coverage also available for your dependents
- Premiums are affordable and are conveniently payroll deducted
- Coverage may be continued; refer to your certificate for details

With Allstate Benefits, you can feel assured that you have the protection you need if faced with a hospitalization. **Practical benefits for everyday living.**[®]

DID YOU KNOW ?

Americans pay nearly **60% more** for hospital stays than patients in Europe or Canada.¹

\$11,700

per hospital stay

The average cost of a 24-hour hospital stay in the United States is \$11,700.²

About two-thirds of Americans received an **unexpected medical bill** following a hospital stay in 2020.³

Meet Tommy

Tommy's parents are like most parents; they worry about the health and well-being of their family. They know that as Tommy grows he will become more active and may be hospitalized due to a sickness or injury. Most importantly, they worry about how they will pay for it.

Here is what weighs heavily on their minds:

- Major medical only pays a portion of the expenses associated with hospital stays
- They have copays they are responsible for until they meet their deductible
- If they miss work due to Tommy having a hospital stay, they must cover their bills, rent/mortgage, groceries and education expenses
- If the right treatment is not available locally, they will have to travel to get the treatment he needs

Tommy's story of sickness and a hospital stay turned into a happy ending, because his parents had supplemental Hospital Indemnity Insurance to help with expenses.

CHOOSE

Tommy's mother chooses benefits to help protect herself and her family members, should they suffer an illness or injury that requires a hospital stay.

USE

Tommy was sick and vomiting, had a loss of appetite and a fever, and complained about a pain in his side. He was also unable to get out of bed.

Here's Tommy's treatment path:

- Taken by ambulance to the emergency room
- Examined by a physician
- Multiple tests were performed
- Admitted for a two-day hospital stay
- Underwent emergency appendectomy surgery
- Visited by his doctor and released
- Recovered from surgery in 5 weeks
- Seen by the doctor during a follow-up visit

Tommy's mother went online after Tommy's hospital stay to file a claim. The cash benefits were direct deposited into her bank account.

Tommy is fully recovered and back to normal.

CLAIM

Tommy's hospital stay claim paid cash benefits for the following:

First Day Hospital Confinement
Daily Hospital Confinement

How We Pay the Daily Hospital Confinement Benefit

If the First Day Hospital Confinement benefit is payable

The Daily Hospital Confinement Benefit pays for each day after the first day of a continuous confinement in a hospital for one day less than the maximum number of days on the rate insert.

If the First Day Hospital Confinement benefit is not payable

The Daily Hospital Confinement Benefit pays for each day of a continuous confinement in a hospital for the maximum number of days on the rate insert.

CERTIFICATE SPECIFICATIONS

Conditions and Limits

We pay benefits as stated for service and treatment received by the covered person while coverage is in force, for sickness or injury. Hospital room and board charges must be incurred for benefits to be payable. **Treatment must be received in the United States or its territories.**

Eligibility

Your employer decides who is eligible for your group (such as length of service and hours worked each week). Issue ages are 18 and over.

Dependent Eligibility/Termination of Coverage

Coverage may include you; your spouse, civil union partner, or domestic partner; and children. Coverage for children ends upon your death or when the child reaches age 26, unless he or she continues to meet the requirements of an eligible dependent. Spouse or civil union partner coverage ends upon valid decree of divorce or your death. Domestic partner coverage ends upon termination of domestic partnership or your death.

When Coverage Ends

Coverage under the policy ends on the earliest of: the date the policy is canceled; the last day of the period for which you made any required contributions; the last day you are in active employment or a member in an association, labor union or other entity, except as provided under the "Temporary Layoff, Leave of Absence, or Family and Medical Leave of Absence" provision; the date you are no longer in an eligible class; the date your class is no longer eligible; upon discovery of fraud or material misrepresentation when filing for a claim.

Conversion Privilege

If coverage terminates for any reason other than non-payment of premiums, the covered person can convert to an individual policy without evidence of insurability. This may also apply to a dependent whose coverage terminates. Refer to your Certificate of Insurance for details.

EXCLUSIONS AND LIMITATIONS

Pre-Existing Condition

We do not pay benefits due to a pre-existing condition if the loss occurs during the first 12 months of coverage. A pre-existing condition is a condition for which: medical treatment, consultation, care or services were received, including diagnostic measures, drugs or medicines were taken or prescribed, over-the-counter medications were taken or treatment recommendations were followed in the 12 months prior to the effective date or the date an increase in benefits would be effective.

This limitation applies if the insured person is pregnant prior to the effective date.

Exclusions

Benefits are not paid for: injury or sickness incurred before the effective date; any act of war or participation in a riot, insurrection or rebellion; suicide or attempt at suicide; injury where the contributing cause was engagement in an illegal occupation or committing or attempting a felony; cosmetic dentistry or plastic surgery, except to treat an injury or correct a disorder of normal body function; intentionally self-inflicted injuries; confinement that begins before the effective date of coverage; the reversal of a tubal ligation or vasectomy; artificial insemination, in vitro fertilization, and test tube fertilization, including any related testing, medications or physician services, unless required by law; aviation (including parachuting and hang gliding) unless a fare-paying passenger on a licensed common-carrier aircraft operating between established airports; driving in any race or speed test or testing any motorized vehicle on any racetrack or speedway; mental or nervous disorders; alcoholism, drug addiction or dependence upon any controlled substance.

Group Hospital Indemnity benefits are provided under policy form GVSP2, or state variations thereof.

The coverage provided is limited benefit hospital indemnity medical insurance. The policy is not a Medicare Supplement Policy. If eligible for Medicare, review Medicare Supplement Buyer's Guide available from Allstate Benefits. There may be instances when a law requires that benefits under this coverage be paid to a third party, rather than to you. If you or a dependent have coverage under Medicare, Medicaid, or a state variation, please refer to your health insurance documents to confirm whether assignments or liens may apply.

This is a brief overview of the benefits available under the group policy underwritten by American Heritage Life Insurance Company (Home Office, Jacksonville, FL). Details of the coverage, including exclusions and other limitations are included in the certificates issued. For additional information, you may contact your Allstate Benefits Representative.

The coverage does not constitute comprehensive health insurance coverage (often referred to as "major medical coverage") and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.
