WHO ARE WE?

"The Nitrox" is a special diving technique, where a combination of Nitrogen and Oxygen is used by professional divers to stay longer under the sea. Just like you would like to stay more at our pub!

We are the home and meeting point of all divers and travelers around the world! In The Nitrox Pub, you can find great snacks, different types of ice-cold craft beer, premium spirits and many cocktails created for various tastes.

OUR ACTIVITIES

As the meeting point of divers, we are inviting our diver friends to the Wreck, Cave, Island, Cape or/and Night Dive activities in the beautiful shores of Montenegro! If it's your first time, we go for the Discovery Diving together or get your licence here!

We are also proud to provide cocktail and bartending services with our team for private events, as well as to organize bartending workshops and provide consultancy in mixology.
