

2026 Marysville Jr. Indians Sponsorship Proposal

Dear Community Business Leader,

On behalf of the Marysville Jr. Indians, we would like to extend an invitation for you and your company to become a valued sponsor partner of our youth football and cheer program.

The Marysville Jr. Indians is a nonprofit, all-volunteer organization dedicated to providing affordable athletic opportunities for the youth of Marysville and surrounding communities. We believe there is a critical need to keep our children active, engaged, and supported — both physically and emotionally — through structured team sports and positive mentorship.

Our program is committed to:

- Providing opportunities for youth in our community to be active, fit, and healthy
- Removing economic barriers to participation in youth sports
- Offering at-risk youth, a positive outlet and strong mentorship
- Building unity through sportsmanship, teamwork, and healthy competition
- Teaching accountability, discipline, character, and leadership
- Encouraging respect for the game, for others, and for themselves

Each season, hundreds of local families depend on our organization to provide a safe, structured, and encouraging environment for their children. However, operating a successful program requires significant resources. One of the most important steps in planning each season is securing local and corporate sponsorships to help offset operational expenses.

Sponsorship contributions directly support essential costs such as helmets, uniforms, field use fees, game-day equipment, officiating, insurance, and administrative expenses. Every dollar received is reinvested into the program to improve and sustain athletic opportunities for the youth of Marysville.

In return, we are committed to maximizing visibility and recognition for our sponsors. Our partnerships provide meaningful exposure within the local community while demonstrating your company's commitment to supporting youth development and community growth.

If sponsoring youth athletics through the Marysville Jr. Indians aligns with your company's community outreach goals, we invite you to review the enclosed sponsorship opportunities. We are confident there is a level of partnership that will be both impactful for our athletes and beneficial for your business.

Thank you for considering an investment in the youth of our community. Together, we can continue building strong athletes, confident leaders, and a united Marysville.

Sincerely,

Board of Directors

Marysville Jr. Indians Football & Cheer
