

Data Number	Data Element	City / Town	School District	Counties
		Granularity / Level	Granularity / Level	Granularity / Level
<b>Demographics (12)</b>				
1	- Population (2016)	City / Town	School District	County
2	- Population - (change from 2015 to 2016)	City / Town	School District	County
3	- Population - (average annual change 2010 - 2016)	City / Town	School District	County
4	- Median Income (2016)	City / Town	School District	County
5	- Median Income - (change from 2015 to 2016)	City / Town	School District	County
6	- Median Income - (average annual change 2010 - 2016)	City / Town	School District	County
7	- Unemployment rate (2016)	City / Town	School District	County
8	- Unemployment rate - (change from 2015 to 2016)	City / Town	School District	County
9	- Unemployment rate - (average annual change 2010 - 2016)	City / Town	School District	County
10	- Poverty rate (2016)	City / Town	School District	County
11	- Poverty rate - (change from 2015 to 2016)	City / Town	School District	County
12	- Poverty rate - (average annual change 2010 - 2016)	City / Town	School District	County
<b>Financial (2)</b>				
13	- County Debt per Resident - (2012)	County	County	County
14	- County School District Debt per Student - (2014) – school districts are aggregated within each county	County	School District	County
<b>Industry (2)</b>				
15	- Industry Concentration Risk - (2016)	County	County	County
16	- Firm Concentration Risk - (2016)	County	County	County
<b>Environment (7)</b>				
17	- Air - Climate Change exposure in regards to Ragweed, and Ozone	County	County	County
18	- Water - Climate Change exposure as projected by 2050	County	County	County
19	- Coastal - Climate Change exposure in regards to rising Sea levels	County	County	County
20	- Declarations of Disaster – (review from 2009 to Q4 2017)	County	County	County
21	- Drought Conditions (Q4 2017)	County	County	County
22	- Superfund sites (Q3 2017)	County	County	County
23	- Fracking Wells (Q4 2016)	County	County	County
<b>Health (5)</b>				
24	- Counties identified by Center for Disease Control (CDC) at risk for HIV/Zika (Q2 2017)	County	County	County
25	- Safe Drinking Water Violations (review 2009 to Q4 2017)	County	County	County
26	- Percentage of Population with Diabetes (December 2016)	County	County	County
27	- Drug Overdose Mortality Rate (December 2016)	County	County	County
28	- Opioid Prescription Rates (December 2016)	County	County	County
<b>Home Ownership (6)</b>				
29	- Home Ownership (2016)	City / Town	School District	County
30	- Home Ownership as a percentage - (change from 2015 to 2016)	City / Town	School District	County
31	- Home Ownership as a percentage - (average annual change 2010 - 2016)	City / Town	School District	County
32	- Vacant Housing as a percentage (2016)	City / Town	School District	County
33	- Vacant Housing as a percentage - (change from 2015 to 2016)	City / Town	School District	County
34	- Vacant Housing as a percentage - (average annual change 2010 - 2016)	City / Town	School District	County
<b>Housing Values (4)</b>				
35	- Median Housing Values (2016)	City / Town	School District	County
36	- Median Housing Values – (change from 2015 to 2016)	City / Town	School District	County
37	- Median Housing Values – (average annual change 2009 - 2016)	City / Town	School District	County
38	- Median Income as a percentage of Median Housing Values (2016)	City / Town	School District	County
<b>Real Estate Taxes (7)</b>				
39	- Real Estate Taxes (2016)	City / Town	School District	County
40	- Real Estate Taxes as a percentage of Median Housing Values (2016)	City / Town	School District	County
41	- Real Estate Taxes as a percentage of Median Housing Values - (change from 2015 to 2016)	City / Town	School District	County
42	- Real Estate Taxes as a percentage of Median Housing Values - (average annual change 2010 – 2016)	City / Town	School District	County
43	- Real Estate Taxes as a percentage Median Income (2016)	City / Town	School District	County
44	- Real Estate Taxes as a percentage Median Income - (change from 2015 to 2016)	City / Town	School District	County
45	- Real Estate Taxes as a percentage Median Income - (average annual change 2010 – 2016)	City / Town	School District	County
<b>Personal Infrastructure (5)</b>				
46	- Police per capita (2016)	City / Town	County	County
47	- Firefighters per capita (2016)	County	County	County
48	- Teachers per student capita (2017)	County	School District	County
49	- Dentists per capita (2016)	County	County	County
50	- Doctors per capita (2014)	County	County	County
<b>Social Indicators (6)</b>				
51	- Bachelor’s Degree or higher (2016)	City / Town	School District	County
52	- Bachelor’s Degree or higher - percentage of population (change from 2015 to 2016)	City / Town	School District	County
53	- Bachelor’s Degree or higher - percentage of population (Average change 2010 - 2016)	City / Town	School District	County
54	- Incidents of Crime per 100,000 residents (2015)	City / Town	County	County
55	- Incidents of Crime per 100,000 residents – (change from 2015 to 2015)	City / Town	County	County
56	- Incidents of Crime per 100,000 residents - (average annual change 2009 - 2015)	City / Town	County	County
<b>Crime - Details (11)</b>				
57	- Population (Crime)	City / Town		County
58	- Violent Crime	City / Town		County
59	- Property Crime	City / Town		County
60	- Murder	City / Town		County
61	- Rape	City / Town		County
62	- Robbery	City / Town		County
63	- Aggravated Assault	City / Town		County
64	- Burglary	City / Town		County
65	- Larceny	City / Town		County
66	- Motor Vehicle Theft	City / Town		County
67	- Arson	City / Town		County

**Notes**

Superfund Data can also be mapped to individual city/town level  
 Data for most elements collected from 2009 to 2016 inclusive  
 3,141 Counties, 14,000 School Districts, 29,000 Cities/Towns
