

05/18/22

Dear Men of Faith,

Attached is the Summer Schedule starting May 29 and going until September 4. Please note: July 17 will have only one service at 10:00 am for The Big Bash.

- Only two or three ushers will be needed per service. Primary duty will be to help people approach the rail for communion. Try to fill the rail, as reasonable as possible, but be conscious of people who may want more social distance.
- If a member or visitor is requesting to have communion at their pew, please try to communicate this to the elder that is scheduled, along with the pastor. This type of communion will be after all the members have received communion. After the last table, take the rail out and the kneeling pad, so that pastor and the elder can go to the person or persons requesting communion.
- Bulletins and announcements should be handed out. Please one announcement per family and recycle bulletins if possible.
- The offering plates will be handed out during service.
- Please take a head count of those attending
- Only one elder will be helping per service. Pastor, Vicar, and the elder will distribute across the entire rail at once, so ushers – please have people ready at the rail in a reasonable time frame.
- Monday Services: As of now, Bruce Zittlow is the only usher that stated he would be available on Mondays. Obviously, we can't expect Bruce to do it all himself, so if any ushers are ever attending on Mondays, please help out as needed. Even if there are zero ushers on Monday, the congregation has proven that they can self-usher to communion if needed.
- No elder is required for Mondays. Since that service is lightly attended, Pastor and Vicar can handle communion. However, if an elder is present on Monday, he can certainly help out.

If you have any questions or concerns, please feel free to contact me at [tkrieser@new.rr.com](mailto:tkrieser@new.rr.com) or 920-676-7776.

Thank you for your continued support,

Terry Krieser
