Dear Brothers and Sisters in Christ at Faith Lutheran Church,

Recently, I have been thinking about the purpose of fellowship events within a congregation. At first glance, their purpose seems obvious; they provide an opportunity for people to meet and get to know those who sit around them during a service or who might attend one of the other services. Gathering as Christians is part of what it means to be in a Christian community. As we gather, we encourage one another, support one another, pray for one another, and even hold each other accountable. Each of these actions are more successful when they emerge from a relationship, built over time, that allows you to know and trust the people around you.

Part of what I have been considering, however, is what if fellowship was meant to be more than that? What if the goal was something deeper, something even more meaningful for the faithful? What if Christian fellowship was part of the way we observe the Sabbath?

When we consider the Third Commandment, “Remember the Sabbath Day by keeping it holy,” we think about it in terms of attending church. “If I went to service, I kept the commandment, therefore I’m good for the week ahead.” When we dig deeper into the Third Commandment, we see that it has three parts. First, is the command to rest from your labor. Second, is to restore your relationship with God. Third, is to restore your relationship with your neighbor.

The first part, rest from your labor, achieves two goals. You can rest your body and free up time to focus on relationships with God and your neighbor. If you never stop working, you never have the time to focus on those relationships.

The second part, the restoration of relationships, happens when you can spend unhurried time with God (attending the Divine Service, reading and hearing his Word, praying) and then spending unhurried time with your neighbor. When you have this unhurried time, you get to know them better, you can repair what sin has damaged, and you can care for one another in a meaningful way.

So, what does this have to do with fellowship events? Too often the temptation is to see them as one more thing that fills the calendar and keeps us busy. I have enough going on I don’t need one more thing to do. But what if we started to see them differently? What if, instead of one more thing to do, they become the opportunity for you to rest, to spend unhurried time with God and his people? Take the third Sunday potlucks for example. Yes, they take planning as you need to prepare a dish in advance. However, they open up time on Sunday after service to have an unhurried lunch with fewer dishes and less preparation. They allow you to rest and give you unhurried time to restore relationships with the people around you. Seen this way, they are a blessing that is much greater than we normally consider.

As you look at the month ahead, look for those opportunities to rest from your labor and have unhurried time with those around you. The Sabbath is a blessing from God. Let it bless you.

Let your Faith Grow!

“HOLY ARK OF THE CHRISTIAN CHURCH”

Thank you to the Dan Crozier Memorial for the “Holy Ark of the Christian Church” (2021–*Edward Riojas*) painting which is displayed above the stair case leading to our Sunday School rooms.

“Almighty God, grant that we would all be kept safe and secure in the holy ark of the Christian Church and be declared worthy of eternal life. Amen.” -
Martin Luther

Based on the words of Martin Luther’s Baptismal “Flood Prayer,” spoken during baptisms, the “Holy Ark of the Christian Church,” brings to life the content of our prayer. Peeking over the edge of the boat are believers protected from the tumultuous waters of the sinful world. They are kept safe in the church, which is built on the teaching of the Apostles, and under the protection of the Risen Lord. The waves of death are conquered by the sacraments that flow from Christ himself.

RECEIVING FIRST COMMUNION

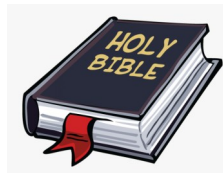

If you would like your child to start working toward receiving the Sacrament of the Altar, please contact DCE Alex Wright. Anyone desiring to receive the Sacrament of the Altar can do so after completing instruction and pastoral examination. Contact DCE Alex Wright for more information if you or your child would like to begin the process to receive first communion. We will have all new communicants receive their first communion on Reformation Sunday (Oct 26).

COUNCIL OPENINGS

Thank you to those who give of their time and energy to support the work of our congregation. Open positions for the upcoming church council are: Treasurer, Assistant Financial Secretary (AFS), Chair of the Board of Education, and the Chair of the Evangelism Committee. The AFS role is a 2-year commitment with the first year as the AFS and the second as the Financial Secretary. The Treasurer role is also a 2-year commitment. If you are interested or would like more information, please contact Brent Roubal (Stewardship Chair), Rod Goldhahn (Council President), or Peter Voss (Vice President).

Happy fall, everyone!

It has been a joy watching our students learn and grow so far, and we are so thankful to have them as part of our school family. It's a true blessing to see their little lights shining so brightly as they explore God's world and learn about His love. It is our hope and prayer that we can continue to encourage these students to be a light to those around them, showing God's love through their kindness and actions.

We're so excited for the new season and all the wonderful things it brings.

This October, we'll be exploring the beauty of autumn and giving thanks to God for all His blessings. Throughout the month, we're focusing on **gratitude**. We'll be creating a "Thankful Tree" in our classroom. Each day, the children will add a leaf with something they're thankful for. We will also explore the themes of apples, leaves & trees, pumpkins and our 5 senses. We are very thankful for the members and families who have donated to FCP for our Walk-a-thon fundraiser in September, our Apple Tree donations, and other blessings that were given.
