Dear Brothers and Sisters in Christ,

April fools! If your family and friends had mercy on you, that was a phase you will not have to endure as this month begins. Of all the holidays, both great and small, April Fools is one of my least favorite. Even though many around me enjoy it, it has never resonated with me and brought me joy. Basically, I endure it. This year, however, I can't help but think of its position next to Easter. One day, we wake up and proclaim, "Christ is risen!" And the next we wake and say, "April fools!" This juxtaposition reminds me of what St. Paul writes in his first letter to the Corinthians, "Has not God made foolish the wisdom of the world? For since, in the wisdom of God, the world did not know God through wisdom, it pleased God through the foolishness of what we preach to save those who believe...we preach Christ crucified, a stumbling block to the Jews and foolishness to the Gentiles."

In the celebration of Easter, we would hardly consider the death and resurrection of Jesus to be foolishness. Yet, for those who do not believe, that is exactly what it is. It is only through our faith that we can see God at work, fulfilling his promises, to save his people who are dying in their sin. It is only through our faith that we can grab hold of the gifts God is giving through his son thereby receiving the gifts of life and salvation. "Foolishness!" declares the world. "He is risen indeed!" responds the holy people of God.

Do you know what else is foolish? Not reading the rest of the newsletter or paying attention to the yellow sheet in order to know what is happening in the life of our congregation (not the greatest transition I have ever written, but it's a transition)! Beginning the week after Easter, our pews and sanctuary chairs will be re-upholstered and re-furbished. This two-week process will not impact our usage of the sanctuary for the services but will allow for us to keep the furniture in good condition for decades to come. Thank you to all who have given to the Sanctuary Refurbishment Fund that have helped make this project possible.

Vacation Bible School registration also opens on April 1. The dates this year are June 10-13 (it is only four days this year). Be sure to register children early so that we can make the appropriate plans and preparations. If you would like to come to VBS but are too old to attend, you are old enough to volunteer. Please contact Alex to let him know you are interested.

The end of this month also includes the vicarage placement service and call service for the seminaries. You can watch all the services through their website and learn, in real time, who next year's vicar will be and where Jordan DeBoer will be called to serve the Lord.

There is an old saying that it is better to be thought a fool than to open your mouth and prove it. I challenge you to do just the opposite. Open your mouth and declare the foolishness of the cross. Proclaim to the world that "Christ is risen!" And may be foolish to those who do not believe, but to the people of God, it is the wisdom of God.

Alleluia!

Pastor Errer

March was a month that seemed to have come and gone so very quickly! The students of FCP enjoyed learning investigations about their growing interests in the outdoors and forest animals. We welcomed the warm Spring sunshine all month as we made daily time to explore and unwind outside in God's beautiful creation. The month closed out with Spring Break followed by our return back to school to learn about Jesus' journey to the cross, His death, and resurrection - all done for our salvation and eternal life with HIM!

We would love for you or your loved ones to join us in our learning adventures, too! If you or someone you know is looking for a nationally accredited, faith filled, inquiry based and play based 3K and 4K morning preschool program, email [faithpreshcoolgb@gmail.com](mailto:faithpreshcoolgb@gmail.com) or call (920) 965-0795 ext. 216 to schedule a tour. **New Listen devices** are now located in back of the narthex near the door to the wiggle room. Thanks to the Ron and Lois Buttke memorial funds and Scrip proceeds for funding these upgrades.

The new receivers work much the same as the original ones – with the using having the option of wearing either an ear piece or a neck loop which acts as a personal transmitter to hearing aids which have the T-coil feature. The controls on the receiver are somewhat different and there are small instruction cards located with the receivers to help you become more familiar with the new controls. Many have asked why we haven't installed a built-in T-coil system for the whole building to make it more convenient for those with T-coil hearing aids. The two reasons are we have tested the building for that application and have been told that there is too much electrical interference in to achieve a clear signal with that method, and it would be difficult to install with the type of flooring we have in the sanctuary.

**Where have the handbells gone?** Not to worry – we still have them. We simply had a stretch of time in which we had a shortage of ringers for a variety of personal reasons and the handbell choir had to take an unplanned sabbatical. Most handbell music is written for a group of between 6 and 12 ringers, and we have fallen below that number since the Christmas season. The hope is to restart the handbell choir again during the long Easter season. If you have ever thought about giving handbells a try now would be a great opportunity. Extensive music experience is not a prerequisite – only the ability to count to three and four and a fairly steady sense of rhythm. The more players we have, the more options we have for music, and it becomes easier to let the more experienced players do the more difficult parts. We practice weekly on Tuesday evenings for only an hour. If you have an interest and would like to know more please contact Paul Heiser during the week at the church.

What are the blessings God has entrusted to you in this life? How will you transfer those blessings to your family and the ministries you care about when you go to heaven?

*“But just as you excel in everything - in faith, in speech, in knowledge, in complete earnestness and in your love for us - see that you also excel in this grace of giving.” 2 Corinthians 8:7*

Gary Vought is serving as our Planned Giving Counselor at Faith Lutheran this year. He is available to assist you in creating a plan to leave assets (such as home, business, real estate, investments, etc.) with your family and direct portions as gifts you will leave to your favorite ministries. His work is made possible through a partnership between Faith and the LCMS Foundation called *Transfer the Blessings*. *The LCMS Foundation has been providing Christian estate planning to members of the Lutheran Church Missouri Synod since 1958.*

What is a Gift Plan? A Christ-centered gift plan is your plan to transfer the blessings God has provided to you in this life to your family when you are in heaven. It's also your plan to give back to the Lord by leaving gifts to ministries like Faith Lutheran and others that may have blessed your life.

A gift plan also includes important documents such as:

- Will or Living Trust
- Power of Attorney for your health care
- Power of Attorney for finances
- Health Care Directive
- Trustee or Personal Representative
- Minor's Trust (if applicable)
- Guardians (if applicable)
- Beneficiary Designations

You will be able to learn more about the Gift Planning process through a presentation offered at Faith Lutheran Church (April 14). This meeting, accompanied by a meal, will introduce you to the process of developing a will or estate plan, raise questions for you to consider as you approach the process, and give you the opportunity to schedule a meeting with Gary Vought, a gift planning specialist, who will walk you through every step of the way. Attending the informational meetings does not obligate you to go further through the process but will give you the opportunity to learn more about what it involves. At the conclusion of each presentation, you will be given the opportunity to set up a meeting with Gary to assist you in developing your gift plan. There is no cost for his services. If you have any questions, you can reach him at email: [gary.vought@lfnd.org](mailto:gary.vought@lfnd.org) or 715-891-1447.

## WAY TO GO FIREBALLS!

This year, we had two volleyball teams representing Faith! Both teams played well and improved throughout the season. In the playoffs, Faith 1 was placed in the D1 bracket and Faith 2 was placed in the D2 bracket. Both teams worked together and played hard. Way to go Fireballs!

Next up is softball.... Keep an eye out for when our softball season will begin!
