Dear Brothers and Sisters in Christ,

In the Book of Proverbs, King Solomon begins his instruction with this first lesson, “The fear of the Lord is the beginning of knowledge; fools despise wisdom and instruction (Proverbs 1:7).” It is from this premise that God-given wisdom is obtained in a three-step process that guides the Christian as they live the life of faith.

He begins with the concept of knowledge. This is the essential foundation of wisdom and it begins with knowing the Lord himself. As those who live on this side of the resurrection, for us it means that we know God and the one he sent, Jesus Christ (John 17:3). Just as the Commandments are anchored in the understanding that we should, “fear, love, and trust, in God above all things,” so too our knowledge should be anchored in the fear of God. Not what we are terrified of him as you might be terrified of nightmares that frighten you, but that we fear him in the same way a child would fear their parents, or we might fear legal authorities. We understand that because they have authority over us, they are something other than we are and therefore have the right to discipline us and hold us accountable for our actions. Fearing the Lord, understanding that he has authority over us, is the beginning of knowledge because it recognizes his ability to discipline us and hold us accountable for what we have done.

After gaining knowledge, the Christian is to practice discipline. Discipline allows the believer to act wisely. Throughout the Proverbs, Solomon reveals that discipline, expressed as righteousness, justice, and equity, may not be the way that the world would act but they are the actions that characterize God himself. The Christian life is restrained by discipline and the understanding that just because you can do something doesn’t mean you should do something. Disciplining yourself to act in accordance with God’s actions begins with the knowledge of who he is and the leads to the third part of the process- growth in wisdom.

Growth in wisdom is the fruit of a disciplined life. Those who know God and place their faith in him still face the risk of being led away from wisdom and into a life of foolishness and death. No matter how much one may know, the wisest recognize there is still more to learn, so they return to the Word of God to gain greater insight to who God is and then discipline themselves to reflect that new understanding.

As we look to the return of the education schedule on September 8, when Sunday morning Bible study, Christian growth, catechism class, women’s Bible study, and other classes resume, this should be present in our mind. Christian education is anchored in the Divine Service and these classes are an outgrowth of God serving his people. Each of these opportunities is offered to help you grow according to Solomon’s way; obtain knowledge of who God is, discipline your life according to his ways, and then grow in wisdom by repeating the process all over again. We are never done until Christ calls us to our eternal rest. This fall do not be the fool who despises wisdom and instruction (Solomon’s words, not mine) and join in the Christian growth of our congregation.

Dear Brothers and Sisters in Christ,

Thank you so much for all of the pantry items that you provided for me as I moved into the vicar house. It was very generous, and I deeply appreciate your welcoming gesture. It's great to be here at Faith Lutheran, and I am excited to serve as your vicar. I look forward to meeting you all, as well as teaching and learning from you over the course of the year! May God bless the time we will share together.

In Christ,

In 1942 the Lutheran Women’s Missionary League was founded to unite sisters in Christ in the Lutheran Church-Missouri Synod as they focus on reaching out with the love of Christ to others in need. With the motto of “Serve the Lord with Gladness” (Psalm 100:2), LWML joyfully proclaims Christ, supports missions, and equips women to honor God by serving others. LWML Sunday has traditionally been observed in congregations on the first Sunday each October. To learn more about LWML before then, stop by the counter across from the congregational mailboxes.

Did you get a Mite Box last October? Have you been feeding it spare change? These offering boxes can be returned any time in the large Mite Box, and new ones are also available on the LWML counter. More details will be available on October 6 as part of this year’s LWML theme of “Ready to Serve!” And in the meantime, thanks in advance for everyone’s contributions of school supplies for the Orphan Grain Train Collection. Last fall we were able to fill 70 backpacks. Can we do it again? Need more information about these projects? Contact Janice Luhrs 920-559-1040.

HANDBELLS AND CHOIR RESUME FOR TUESDAY REHEARSALS

The first rehearsal for Handbells will be on Tuesday, September 10th at 5:45 p.m. We typically meet in the left transept of the sanctuary, although sometimes it is necessary to rehearse in the basement music room. *If you are interested in playing handbells, please contact the director Paul Heiser at the church in advance so that we can make sure each player is assigned bells that offer the most appropriate challenge. An extensive musical background is not required – only the ability to count to 3 and 4, and a patient and cheerful attitude.*

The first rehearsal for Adult Choir will be on Tuesday, September 10th. Adult Choir meets on Tuesday at 6:45, usually in the church balcony. *Want to experience one of the best communities within our church family and build your faith through the singing of Biblical and devotional texts? Join the choir. Extensive musical background is not a requirement as we all grow in our gifts as musicians as we rehearse together. New members are always welcome even if you can only participate for part of the church year or need to work around weekends away. If you have any questions please feel free to contact the director, Paul Heiser, at the church.*

Meet our teachers

Mrs. Ellen Petrie FCP DIRECTOR & TEACHER

I am excited to be part of the Faith Christian Preschool staff and family! I love the early education field and have been teaching our youngest learners for 21 years. When asked what I do for a job, I love that I can tell others that I get to hear laughter and giggles, and share God's love everyday at work.

Mrs. Andrea Schadt FCP TEACHER

I am thrilled to join the Faith Christian Preschool family this year! I believe when we work together as a family, church and school, and Christ is our foundation, we can help our children reach their greatest potential.

Mrs. Angela Stiles FCP AIDE

I enjoy being a support in the classroom for the teachers, students, and families. I love seeing the creativity, learning, and relationships that are made here at Faith. I pray that God will bless our upcoming school year together.

Green Bay Trinity
LUTHERAN SCHOOL

UPCOMING DATES FOR TRINITY:

- 8/18: Teacher Commissioning at Hope DePere at 8:00 am
- 8/18: Parent Orientation Night at Our Saviour at 6:00 pm
- 8/19 & 8/20 Before School Conferences
- 8/21: First Day of School, Chapel at 8:30 am
- 8/30-9/2: No School
- 9/27: NEWLSA Walk-a-thon

We're excited to share the latest news and updates from Green Bay Trinity Lutheran School, where we continue to nurture young minds in faith and academics.

Recent Achievements: Our students have been excelling both in and out of the classroom. In academics, Trinity remains one of the top schools in the city based on the Wisconsin Forward Exams where we meet or exceed expectations. This exam is used in both public and private and gives a good metric to how we're performing against all schools. We closed our athletic year with a track season where many students broke and set new records in their event.

New Staff Spotlight: We're excited that we have a 100% retention of our teaching faculty. We welcome Aliza Buyarski to our staff as Trinity's new Athletic Director. She'll be working part-time at Trinity to push our athletic program to new heights. As a coach and mother of Trinity students she knows and exemplifies the expectations we have to glorify God in sports using the talents He's given us. Keep her in your prayers as she takes on this role and has to drink from the proverbial fire hydrant!

Facility Updates: Trinity continues to lease space from Our Saviour Lutheran Church. The classrooms and hallways were stripped and waxed for another year of high traffic wear and tear. Our building committee is hard at work moving plans along to purchase land adjacent to Our Saviour. Once acquired we'll move to the next phase of our expansion project and building project. Thank you for the generous funds that your VBS offered to our building project. More about how it was used will come later.

Prayer Requests: Please keep our students and staff in your prayers as we approach the end of the summer. We're especially praying for wisdom and guidance for our graduated 8th graders as they prepare for high school.

"Train up a child in the way he should go; even when he is old, he will not depart from it." - Proverbs 22:6

Thank you for your continued support of Green Bay Trinity Lutheran School. Together, we're shaping the next generation of faithful leaders.

In Christ's Service,
Principal Kerrick Sawyer

Campus Ministry (LCMS-U, Green Bay) has begun the trek! We hope to establish Faith Lutheran as a contact congregation for Lutheran students pursuing their higher education in the Green Bay area. We are now registered and listed on the lcms.org website as a chapter of LCMS-U. We also have a link on the Faith Lutheran website for people looking for a church home-away-from-home while they attend college. Plans include going to each local campus weekly to meet with students as well as periodic gatherings at Faith so even more friendships can be made!

On June 9 I was commissioned as a deaconess and installed here at Faith as the campus ministry coordinator with the intent of establishing and maintaining an LCMS-U chapter in Green Bay. "The Lutheran Church—Missouri Synod's Campus Ministry works through LCMS U, an initiative to connect and support Lutheran students as they head off to college and face countless challenges to their biblical worldview, doctrine, ethics and practices." (from lcms.org website)

I attended a national LCMS-U campus ministry workers' conference at Luther Memorial Chapel and University Student Center in Shorewood, WI. I learned (a lot!) from the campus ministry church workers from Wisconsin as well as from those throughout the country. It was an fun and encouraging time.

In June I attended the Higher Things conference held at Concordia, Wisconsin in Mequon. Our table had a map showing the nine LCMS-U chapters in Wisconsin which opened the door to encourage high school students to look for a church home when they look for a college. I was able to talk to the new campus pastor at CUW, Pastor Bakker, who was once the campus pastor for our own Pr. and Mrs. Errer while they were students in Michigan!

While at the Higher Things conference the deaconesses there to chaperone or otherwise work with the youth managed to gather for a picture.

Emails have gone out to North Wisconsin District congregations letting them know our congregation stands ready to welcome students attending our local schools of higher education: UW-Green Bay, St. Norbert, Bellin College of Nursing, and Northeast Wisconsin Technical College. If you know of a young adult who attends any of these school, please let me know!

Thank you for the opportunity to serve the Lord in this capacity as Campus Ministry Coordinator. I know we do the Lord's work when we assist students – both home and away - with a chance to grow in their community and grow in faith and at Faith.

- Deaconess Deirdre Batiansila

ARE YOU HAVING SURGERY? ARE YOU EXPECTING A BABY?

The Meal Storks and Meal Ministry team is ready to help. The Meal Ministry team and Meal Storks have combined to help those in our congregation during the adjustment period of have a child or having surgery. Let us know if you would like to receive meals from your Faith family. It is one less thing to worry about when bringing baby home! If you are interested in being on the Meal Ministry team, or would like to receive meals, please contact Angela Stiles at flcgb.media@gmail.com.

LET'S MAKE SOME HATS!

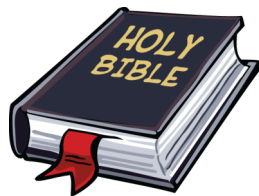

The Prayer Shawl Ministry in conjunction with the Evangelism Committee invites members of the congregation who knit or crochet to join us in making hats for kids at Webster School and kids/adults at Freedom House.

The kids at Webster School are in grades 4K thru 5th grade. Freedom House has individuals/families of all ages. You can use your own pattern or we can provide you with one.

If you do not have access to yarn, we do have a few skeins that have been donated. We will be collecting the hats through October so we can distribute them in November. If you would like a pattern, yarn, or have questions, please do not hesitate to contact Cheryl Roohr at (920) 655-7494 or cherylroohr@gmail.com. Thank you for your support.

Love Packages is an organization that collects bibles. They are shipped over seas for missionaries there to distribute. If you have extra bibles of any kind, in any condition and would like to support this ministry we have a collection box located across from the mailboxes.

How does Dollar Sunday work? Any cash that is placed in that weekend's offering (not in an offering envelope) will go towards our designated organization. If you would like to make a check donation, please make it out to Faith Lutheran Church and write "Dollar Sunday" in the memo line.
