ITALY 2027

Italy 2027! Join me and members of our congregation as we spend ten days in Italy. Departing from Green Bay on October 12, 2027, we will visit Milan, Venice, Pisa, Florence, Rome, and more to take in the history, art, and beauty of this historic country. Only eighteen months away, plan now to join in this experience. Informational brochures are located in racks across from the Welcome Center. If you have questions, please see Pastor. The first early registration deadline is November 12, for the greatest savings!

DONNA'S NEED FOR A KIDNEY

Donna Koehler has known since she was 24 years old that she carried the inherited gene for Polycystic kidney disease (PKD). She has always tried to protect and preserve her kidneys, however forming cysts have caused damage and reduced its function to the point that she is in need of a transplant. The deceased donor wait list is long and could take many years before one becomes available. A live kidney donor is the healthiest option, offering a closer match, better results and longevity. A donor does not even have to be a match as a paired program enables exchanging for one that is. A healthy person can live a normal, long life with only one kidney. If you are so moved to offer Donna this life giving gift, please complete the form at <https://uwhealthtransplant.donorscreen.org/register/now> to start the evaluation process. Testing and medical expenses are paid for by the recipients insurance. There is also a program that offers reimbursement for lost wages. If you have questions you can call UW hospital at 608-263-1384 or talk to Donna.

WOMEN'S BIBLE STUDY

The Women's Bible Study continues! On October 21, we will begin our study of Lutheranism 101 – an overview of Lutheran faith and practice. All women are invited! We meet on most Wednesdays at 6:30 in the lounge – check the weekly announcements for specific dates.
