July 2020

My, oh my, how time flies when you're having fun. It's hard to believe that it's been almost a year since Becca and I first drove up and laid eyes upon this beautiful church and began meeting the wonderful people who call Faith home. We have been truly blessed to call this home for the past year, and will miss all of you greatly. As I reflect upon our time together I cannot help but think of King Solomon's words in Ecclesiastes 3: "For everything there is a season, and a time for every matter under heaven... a time to weep, and a time to laugh; a time to mourn, and a time to dance... a time to embrace, and a time to refrain from embracing."

Our time together certainly began differently than I ever could have imagined, clouded with uncertainty around the Covid pandemic while everyone adjusted to the "new normal" of our lives. It was, sadly, a time to refrain from embracing. Yet, through it all you welcomed Becca and me with open arms, showering us with love and generosity. It has truly been a blessing and a privilege to walk alongside you all the past year weeping, laughing, mourning, and dancing through all the ups and downs that occur in our lives. This year has been amazingly formative, as God continues to shape me into the pastor that He wants me to be.

This is one of the most remarkable things about the vicarage program. You all are vitally important to the process by which God prepares shepherds for His sheep. Your patience, care, kindness, and love are all used by God to teach us Vicars how to tend and care for His sheep. So, on behalf of my future congregation, wherever it may be, I thank you. I thank you for joining in and helping form and shape my life to serve Christ's Church.

May God bless you from now until we meet again,

Vicar and Becca Souer

God's  
blessings  
on 10  
years

On June 12, Pastor Errer celebrated 10 years of being ordained as a pastor! Pastor Errer is an advocate for Christian Education; whether that be teaching chapel and religion classes at our Lutheran Schools, leading and teaching through various Bible Studies and Catechism Class, or being a Vicarage Supervisor, he helps guide people to the Means of Grace and their relationship with God. Pastor Errer prayerfully and carefully works through difficult decisions to maintain focus on God and trusts that God has, is, and will provide for His Church.

Over the years, Pastor Errer not only has lead our congregation, but has impressed us with his baking skills, musical talents, and care for his family and others.

We thank God to have Pastor Errer and family at Faith! We pray that God blesses you with a many more years in ministry.

# WELCOME VICAR-ELECT ANTHONY KEILANI!

Beginning August 1, 2021\*

Greetings, members of Faith Lutheran Church!

My name is Anthony Keilani, and I will be your new vicar. I grew up in southeast Michigan, a suburb of Detroit. A product of the Lutheran School educational system, I matriculated at the University of Michigan and majored in Neuroscience. After being graduated in 2016, I worked as an assistant instructor for Neuroanatomy at Oakland University in Rochester, Mich. My wife Irene is a pastor's daughter from Boyne City, a town in northern Michigan. We met in late 2017 at the St. Michael's Liturgical Conference in Detroit and were married in June 2018 at her father's congregation, Hope Lutheran Church, in Bellaire, Mich. While living in northern Michigan after our wedding, I was a substitute teacher in the school district where Irene attended high school. I enjoyed that year very much. My brothers- and sister-in-law were students there, and they were in some of the classes I taught.

Sadly, Irene miscarried early in her first pregnancy. Very quickly, however, Irene conceived again, and Sylvia Ann was born in May 2019. Our youngest, Esther Louise, was born in November 2020. Irene has been chipping away at her bachelor's degree at Purdue University's Fort Wayne campus. She is due to be graduated during our fourth year of seminary. When she gets a quiet moment, Irene enjoys pilates, crocheting and cooking.

Sylvia Ann is our curly-haired dancing queen. She enjoys music with a strong rhythm and can find the beat very quickly to perform her twirling moves. You may find her clutching a silicone smoothie straw in her hand and kissing her bunny blanket tenderly. Her best friend is her sister Esther. They can make each other laugh just by making eye contact.

Esther was born with a condition called Phenylketonuria (fen-ul-key-toe-NU-ree-uh), also known as PKU. It is a rare inherited disorder that causes an amino acid called phenylalanine (Phe) to build up in the body. PKU is caused by a defect in the gene that helps create the enzyme needed to break down phenylalanine. Without the enzyme necessary to process phenylalanine, a dangerous buildup can develop when a person with PKU eats foods that contains protein or eats aspartame, an artificial sweetener. This can eventually lead to serious health problems. For the rest of their lives, people with PKU — babies, children, and adults — need to follow a diet that limits phenylalanine, which is found mostly in foods that contain protein. Esther has been visiting a genetics lab located an hour northwest of Fort Wayne in Topeka, Ind. She has a team of medical professionals to take care of her, including: a genetic counselor, a geneticist, a dietician, and many nurses that think she is the happiest baby girl they have ever seen. We are thankful to write, that so far she has not required any special medical formula that is "Phe-Free". She is growing quickly and strong by drinking breastmilk.

Please keep us in your prayers. Monitoring Esther's blood levels will forever be a part of her life, and we await the results monthly to evaluate her needs. When she is older and eating solid foods, we anticipate her needing a low protein diet most similar to that of a vegan diet, which avoids all animal products: eggs, meat, cheese, milk, fish. While diet is the main focus, there are a few medications that she could take to help her body break down the amino acid. We will cross that bridge when we get there, and we trust that we are in good hands with the team of doctors she has now.

Our offerings will go towards providing animals to the people in need in the Middle East area, so they can earn income, support their family in need, and learn skills. With your help, we were able to raise \$637! (Enough for a horse, 2 bulls, and 3 chickens!) Way to go!
