Dear Brothers and Sisters in Christ at Faith Lutheran Church,

We bought a house. More precisely, a duplex. At the September 12, 2021 voters' meeting, a resolution was passed to purchase the duplex immediately south of the main entrance to the church on Webster Ave.

Now why would we do such a thing? This is a great question and I am glad you asked. At this current time, we do not need more square footage for indoor space. What we do lack, in our current footprint, is green space. The backyard of the property, which connects on two sides to our parking lot, provides immediate opportunities in its usage. Currently two main proposals are at hand. One, is to use it as a play area for our school. The second is to use it for secondary snow removal storage. Each of these has benefits to the congregation and the council will be making final plans on its usage soon.

The second reason for the purchase of the property was as stewardship for future use. As we look to the future of the congregation, we do not know what is in store for us. Land that is contiguous with our current property should always be considered for purchase to help prepare the congregation for future activities. This does not mean it is always a good idea to purchase it but it should always be considered. At the current time Faith is well positioned to make this kind of move in helping to prepare for our future.

What do you mean that Faith is "well positioned?" Another great question. What I mean is that there are several things working in our favor. First, because the duplex will remain a duplex, an LLC has been created to manage the property. A property manager will be employed to keep it rented and well maintained so as to not add additional work for the trustees of the congregation. Given the current rental and real estate market, the rent we receive from the property should pay all expenses associated with owning it reducing the burden it pose to the congregation's financial status. Second, Faith is blessed with a very healthy savings account. We were able to pay 20% down on the property and finance the rest through a mortgage. This is the kind of activity for which we have savings. Good stewardship means that we maintain a savings that allows for times when cash flow is low, emergencies occur, or long term investment is available. This falls into the long term investment category and helps prepare Faith for future activities.

How does this impact our budget? A great final question to ask. It doesn't. The income from the rental units will be used to maintain the property. The mortgage will be paid from that income stream. According to the business plan in place, it will neither benefit nor burden the budget going forward.

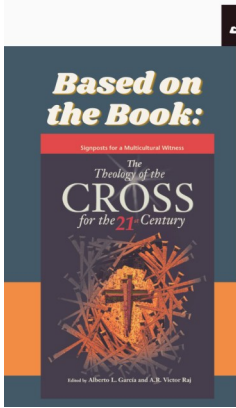

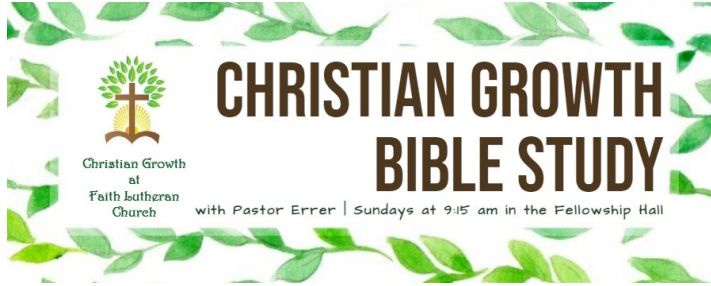

Speaking of the budget and stewardship, it is that time of year to remind everyone to review their giving and determine if you are meeting the goals you set for yourself at the beginning of the year. The church council has started the budget process for next year and has noted that giving for this year has not kept up with the budgeted expenses. We still have time to catch up and the sooner we begin that process, the more secure we will be as they year comes to an end. Stewardship and giving is never a onetime conversation but one that goes on all the time as it is our ongoing response to all that God has entrusted to our care. Thank you for all the ways you use your resources to support the work and mission of Christ and His church.

God bless,
Pastor Error

Bible Study Opportunities at Faith

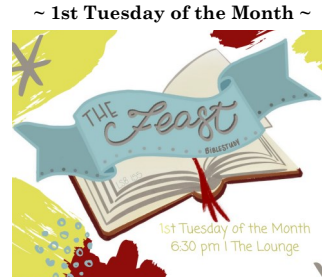

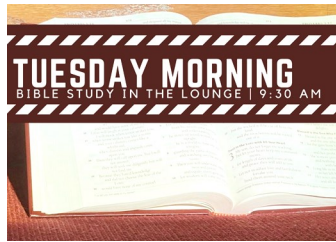

~ Sundays ~

Sunday Mornings at 9:15 find Pastor and others in the Fellowship Hall as we take a survey of the New Testament. This class aligns with the lessons taught across all age groups on Sunday morning.

Grab a cup of coffee, tea, water or all three and join Vicar in the lounge for a Sunday morning study on the significance of Martin Luther's theology of the cross within the 21st century. Learn how to defend and apply the Lutheran understanding of grace in both secular and spiritual contexts that stand in opposition to Christ and His cross.

~ Tuesdays ~

Tuesday mornings at 8:00, come enjoy breakfast and Bible study at the Village Grille. During this time we take a deep dive into Biblical texts as we nourish our bodies and our souls.

Every Tuesday at 9:30, join us for a verse by verse examination of a Book of the Bible. Filled with fellowship and study, this is a great time to grow in your relationship with God and with fellow Christians. This study meets in the lounge.

The Feast Bible Study is on the first Tuesday of every month at 6:30 p.m. Join together with other young adult members of the congregation for Bible Study, devotions, fellowship and food. This bible study/discussion is lead by our Director of Christian Education, Alex Wright and will be held in the Lounge.

~ Wednesdays ~

Let us take time to explore what it means to live in grace filled, connected families. We will examine the role our families play at every stage of our lives. Whether your family tree is filled with thorns or good fruit, this study will help you think about introducing grace into the relationships that effect you most.

Please join us on Wednesday evenings at 6:30 pm in the Lounge as we study *Be Still and Know, a Study of Rest and Refuge* by Deb Burma.

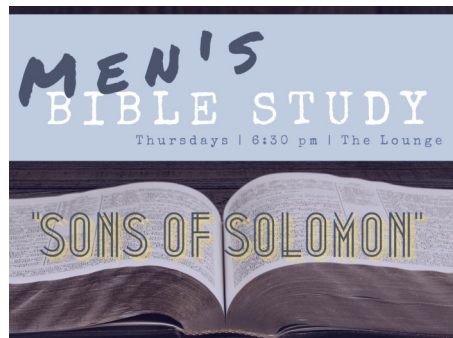

~ Thursdays ~

Formerly our Wednesday Bible Study, we introduce to you our Thursday T.A.L.K. Each week on Thursdays, a podcast featuring our Director of Parish Music Paul Heiser and the preacher for the upcoming Sunday will give a little more background on the theological and liturgical aspects of the next worship service.

The “Sons of Solomon” will focus on the study of specific Psalms and Proverbs. Come join us as we let the prayers of the Psalms and the wisdom of Proverbs equip us to live faithfully in the world around us.

Faith
CHRISTIAN PRESCHOOL

The list could go on, as the Lord provides for Faith Christian Preschool in an abundance of ways! As we enter into the month of October, we **give thanks** for a great start to the 2021-2022 school year. During September we have met new friends, formed new relationships, and learned what a day in our classroom looks like. Not only were we able to learn school routines, we also are very thankful for the opportunity to go on our first field trip of the year to Berryland in Abrams.

We serve the Lord through teaching His word to our newest friends. While Faith Christian Preschool teaches academic concepts that prepare a child for the next steps in their educational journey, more importantly, we help to lay a spiritual foundation. Sharing about God's love is at the heart of what we do! Whether it is in our daily Bible story, weekly chapel, or one on one interactions, what a joy it is to spread the Word!

We praise Him for His overflowing blessings that he has and continues to bestow upon us. Since we merged with Green Bay Trinity Lutheran School and the Northeast Wisconsin Lutheran Schools Association in July, we have received support that allows us to better serve our families. Additionally, what a great experience we had as we participated in our first ever Walk a Thon on September 16-17th. Thank you to all those who supported our Walk A Thon, whether it be financially or through prayer!

As we continue with the school year and move into Fall, we are excited to host Donuts with Dad on October 7-8th, gather with our families for fellowship at our Fall Fest on October 21st, and celebrate in the classroom at our Fall Fest party on October 28-29th. **God is so good!**

285. That's a fantastic number! Our three schools in the Northeastern Wisconsin Lutheran Schools Associations serve 285 students at three sites in Green Bay. To ask a Lutheran question; what does this mean? It means that these 285 students and their families have a partner in Christian formation. Looking at the mission of Trinity *"Helping families nurture children in Christ and the knowledge of His world," the true blessing of Lutheran schools, the partnerships of our association churches, and the families who send their children to Lutheran schools shines. Edward Koehler reminds us that "The aim of Christian education is not attained when a child will only now and then, spasmodically, avoid what is evil and do what is good. Education aims at permanent results. It wishes so to train the child that Christian living becomes a habit, a second nature; in other words, it contemplates a Christian character."* (Koehler, 119) *That is the true blessing of the Lutheran school system in Green Bay. The students are surrounded by the love and knowledge of Christ at school, at home, and at their churches. What a strong foundation that really is! Thank you for your support of Lutheran education in Green Bay!*

VBS 2022—SAVE THE DATES!!!!

Mark it on your calendar: VBS 2022 will take place June 13-17!

For our next Vacation Bible School, we will follow the life of Saul turned Paul. Paul takes a voyage not only across the seas but also in faith—with God always present and guiding him. We, too, look to God to guide us in our faith throughout our whole lives.

Stay tuned for next month's update on VBS 2022!

If your child hasn't attended yet, it's not too late to join! See us in the church basement in between first and second service, and we will help you find the correct classroom.

We are happy to announce that our Sunday School offerings will be donated to the Lutheran Church Charities Comfort Dog Ministry. To learn more about this wonderful ministry,

Freedom+HOUSE

Freedom House provides shelter, three meals a day, clothing, classes, basic necessities and case management support to families struggling with homelessness. Freedom House is the only homeless shelter in the Green Bay area that provides services exclusively to homeless families-serving single mothers, single fathers, and couples with children.

The mission of Freedom House is to equip families with the skills and resources needed to become self-sufficient and to maintain self-sufficiency. Freedom House serves a diverse population of homeless families with children through our emergency shelter on the east side of Green Bay and our campus on the west side of Green Bay called The Bridge. Freedom House families are also offered our Aftercare Program for general support and access to the many donations Freedom House receives. This takes some stress off their monthly budget and prevents a second shelter stay.
