A bronze statue of Jesus with long hair and a beard, sitting and holding two children. The statue is set against a stone wall with a window and greenery. In the foreground, there are several tulips in shades of red and yellow. The entire image is framed by a decorative border with wavy, organic shapes in various colors.

CHRISTIAN GROWTH

(Sunday School)

flcgb.ss@gmail.com

Dear Brothers and Sisters in Christ,

By the time you read this, much will have happened between my writing and your reading (I often write this article 3-4 weeks before it is mailed). We will have observed Holy Week, celebrated Easter, navigated the draft, learned who our new vicar will be and where last year's vicar, Chase Greenhagen, has been called to serve as a pastor. Now we are preparing for Mother's Day, end of the academic year, Memorial Day, Ascension Day, and Vacation Bible School. From this side of the calendar looking forward, the events and celebrations look like they are going to come fast and furious and soon we will be lamenting that summer is almost over.

That can be the danger of a calendar. On the one hand, without it you would be lost and unable to navigate the demands of life. But on the other hand, the calendar can feel oppressive as it serves a never-ending to do list of what is to come. I recently heard someone lament that much of life is simply saying, "after this, things will slow down..." over and over again until you die. Much like seeing the calendar as an unrelenting list of demands on your time, this view can send you into despair, overwhelmed by what needs to be done.

One of the wonderful things about the way the church observes the holidays is that it slows down the celebration and lets us dwell in the joy of remembering what God has done for his people. Christmas has four weeks of preparation, and twelve days of celebration. Easter has six and a half weeks of preparation and followed by seven weeks of celebration. Unlike the unrelenting demands of the worldly calendar that is filled with events and demands on time, the seasons of the church year that govern the life of the congregation give us time to revel in what God has done and remind us that all things happen within his timetable and according to his design.

The Easter Epistle reading from 1 Corinthians 15 teaches us this reality when Paul states that "Christ has been raised from the dead, the firstfruits of those who have fallen asleep...in Christ shall all be made alive. But each in his own order: Christ the firstfruits, then at his coming those who belong to Christ. Then comes the end when he delivers all the kingdom of God the Father." When we celebrate Easter, we are reminded that the work of salvation has begun- Christ's resurrection is the first item on his agenda- but it is not yet finished. More is to come. But what is to come is not a laundry list of demands on your time but the promise that in the Father's time all things will be made new. The dead will be raised and the joy of Easter will be all that we know for Christ's resurrection will be our resurrection also.

As we wait for that day to come, don't let the events on the calendar overwhelm you and bring you down. Instead, see them within the larger story of God's work of salvation, marking the time between his resurrection and ours. Find your rest in the unhurried seasons of the church that mark the joy that comes in Christ, and let those seasons be the overarching narrative of your days so all that falls within it can flow from the joy of what Christ has done.

Christ is risen! Alleluia!

Pastor Errer

Assignments

We would like to welcome David Scarborough as our Vicar Elect for 2025-2026. Please keep David and his fiancé Allison in your prayers as David finishes his academic year at Concordia Theological Seminary, Fort Wayne-CTSFW, they get married in June, and they venture to Faith to begin his vicarage year in August.

God's blessings to our former vicar, Chase Greenhagen, as he received his call to be Associate Pastor at Crown of Life Lutheran Church in San Antonio, TX. . Please keep him in your prayers as he completes his academic school year, graduates from Concordia Theological Seminary, Fort Wayne-CTSFW, and he makes his move to Texas.

Dear Faith Lutheran Church,

Hello, my name is David A. Scarborough and I come from Niceville, Florida. I was born to David M. and Eve Scarborough at Eglin Air Force Base. I am a lifelong LCMS Lutheran and through my mom's side of the family come from a line of pastors.

I graduated in 2022 from Concordia University Wisconsin-Mequon with a Bachelor's of Applied Theology. During my time at CTSFW I was blessed with the opportunity to go study at Westfield House in Cambridge, England. While in Cambridge I was able to use what I learned from my two years of seminary and also serve the Evangelical Lutheran Church of England in the form of liturgist and preacher. I was also able to go and help in their church plants in Oxford and Ipswich. I finished up with my studies last week and returned just in time for Vicarage placement.

I will be getting married to Allison F. Sterling on June 13th, 2025 at her home church in Jonesboro, Arkansas. We are looking forward to meeting you all in July and August.

God's Blessings to you all until then.
David Scarborough

Vicar William Ebel was able to be in Fort Wayne and could welcome David Scarborough and congratulate Chase Greenhagen on Faith's behalf.

let your Faith Grow!

CHRIST'S RULE AS KING OVER HIS CREATION

JUNE 9-13
2-4:45 PM

We all live in God's kingdom. The kingdom of God was ushered in by Jesus' incarnation, public ministry, death, and resurrection. God's kingdom comes when our heavenly Father gives us His Holy Spirit, so that by His grace we believe His holy Word and lead godly lives here in time and there in eternity. During Animal Kingdom VBS, we will walk alongside the story of Jesus, and the different animals that appear during his life on earth, as we learn about living in God's kingdom and the benefits of living under Christ our King.

Many thanks to those families for directing these funds to accomplish these improvements.
